Union Minister of Education and Skill Development & Entrepreneurship, Shri Dharmendra Pradhan, attended the convocation of the Vivekananda Institute of Professional Studies- Technical Campus in New Delhi today.

Speaking at the event he congratulated the students and reminded them how the world has a lot of expectations from India's youth, particularly from students of distinguished institutions, like VIPS. Our Amrit Peedhi is immensely talented and is aware of their duties and responsibilities, he said.

He also added that in the coming years, when India will become the 3rd largest economy and also assume a leadership role in IR 4.0 and beyond, the youth will take forward the deep-rooted civilisational ethos of India for global well-being and prosperity. He expressed his gratitude to Prime Minister Shri Narendra Modi and his government that always act as an enabler to realise youth aspirations, champion youth-led development and channel their energy for achieving the goal of Viksit Bharat.
