Dear

As you might be aware, Rajiv Gandhi University, Itanagar (Arunachal Pradesh) is a premier institution of higher education in the state of Arunachal Pradesh. Earlier, it was a state University which was converted into a Central University by an Act of Parliament. It is expected to play an important role in the current phase of development of higher education in the region. Consequent upon resignation of Prof. David R. Syiemlieh from the office of Vice-Chancellor of this University on account of his appointment as a member of Union Public Service Commission, the office of Vice Chancellor has been lying vacant since 06.06.2012. The Ministry has, therefore, set in motion the process of appointment of the Vice-Chancellor of this University.

2. According to the University Statute, the Vice-Chancellor shall be appointed by the Visitor, i.e. the President of India, from a panel of not less than three persons recommended by a Committee consisting of three persons; out of whom two shall be nominated by the Executive Council of the University and one by the Visitor, and the nominee of the Visitor shall be the Convener of the Committee. The appointment to the post of Vice-Chancellor is made for a term of five years or till the incumbent attains the age of sixty-five years, whichever is earlier, and he shall not be eligible for re-appointment.

3. The Selection Committee held its first meeting on 23<sup>rd</sup> August, 2012 and decided to request distinguished persons in the field of academia, science, technology, arts and culture to suggest names of suitable persons for its consideration for drawing the requisite panel of names for submission to the Hon'ble Visitor. Accordingly, on behalf of the Committee, I am to request you to suggest name(s) of the persons whom you consider suitable for appointment as the Vice-Chancellor, Rajiv Gandhi University, Itanagar. As the Vice-Chancellor shall be the principal executive and academic officer of the University, the person recommended must be of sound administrative acumen, besides along with the academic distinction. He/She should be a person with vision and foresight to provide necessary leadership to the University. He/She should, preferably, be not more than sixty years of age so that, if appointed, he/she could serve a full-term of five years.
