1. The meeting of the Project Approval Board (PAB) for the year 2019-20 for considering proposals under the Scheme for Providing Education to Madaras/Minorities(SPEMM) comprising Scheme for Providing Quality Education in Madaras (SPQEM) and Scheme for Infrastructure Development of Private Aided/ Unaided Minority Institutes (Elementary Secondary/ Senior Secondary Schools) (IDMI) was held on 16.09.2018 at 11.00 am under the Chairpersonship of Ms. L. S. Changsan, Joint Secretary, Department of School Education & Literacy. A list of participants is attached at Annexure1.
2. The Chairperson welcomed the representatives from the State Government and two non official members of PAB, Shri Maling Gombu and Dr Shahid Akhtar. The meeting started with introduction of background of the scheme from the inception of SPQEM & IDMI and the restructuring of the scheme guidelines. The major feature of the restructured scheme guidelines is that the scheme is no longer a 100% centrally funded scheme and from 2018-19 funds sharing pattern 60:40 and 90:10 is applicable as in Samagra Shiksha and MDM and other Centrally Sponsored Schemes. Other criteria which have been introduced in restructured scheme are that all the Madaras and Minority institution getting funds under SPEMM scheme must get UDISE and GIS mapping done. Release of funds was delayed last year due to this restructuring.
3. The Chairperson stated that taking into account the committed liabilities, the budget of Rs. 120 crore allocated under the scheme in the current financial year 2019-20 is less than the budget required. Due to budget constraints, this year also Department's effort will be to meet the expenditure approved by CGIAC/PAB for previous years, release the amount available (Rs. 120.00 crore) for the year 2019-20 and at the RE Stage seek Supplementary funds from Ministry of Finance. It is also for this reason that new proposals were not sought for the year 2019-20.
4. It was also informed that the proposals/ UCs received from the State Government in the last quarter of the year 2018-19, had some discrepancies/deficiencies, due to which the department was not able to release funds.
5. NIC made a presentation on UDISE Plus and GIS mapping. For monitoring purpose, UDISE and GIS Mapping were introduced in the Scheme Guidelines. NIC had also introduced UDISE plus portal for proper monitoring of schemes including SPQEM last year. The NIC presentation briefed the States about the seshagun.gov.in and schoolgis.nic.in. The NIC requested that the longitudes and latitudes of the Madaras/Institution be made available so that the institutes can be located through GIS mapping. Thereafter, NIC demonstrated how

school can be searched through Management type. Madarsa Recognized and Unrecognized are the two types of Madarsas Management available in the UDISE form. However, there was no option to register Minority Institution in the UDISE form, therefore NIC was requested to introduce the same. There is a feedback option in portal. NIC requested the States to provide the feedback using the app available at seshagun.gov.in portal. The Chairperson also requested all State Governments to alert officers dealing with SPEMM scheme in the State regarding this portal so that they are also familiar with it and provide GIS mapping of all the Madarsas and Institutes.

6. Chairperson also informed the states that the scheme has been granted extension till 2019-20 and is being evaluated by NITI Aayog. The Department is also considering to make this scheme a component of Samagra Shiksha for a more holistic approach to all educational institutions.

7. The following agenda items were discussed-

Agenda 1: Confirmation of the minutes of the meeting held on 26th September, 2019 at 10:00 a.m.

The PAB confirmed the minutes of the meeting held on 26th September, 2019.

Agenda 2: Budget provision for 2019-20 under Scheme for Providing Education to Madarsas/Minorities (SPEMM).

Table -1

Sl. No.	Budget Titles	Allocation under SPEMM at BE stage (in Rs. Lakh)
1	Amount allocated for SPQEM General States (Other than NER States and UTs without Legislature) Central share of 60% for General states Central share of 90% for J&K, H.P. and Uttarakhand	8788.00
2	Amount allocated for SPQEM NER States/UTs (Central share of 90%)	950.00
3	SPQEM-UTs without Legislature (Central share 100%)	2.00
4	Amount allocated for IDMI General States (Central share of 75%)	2000.00
5	Amount issued for IDMI NER States (Central share of 75%)	250.00
6	Amount allocated for TA/DA and services	10.00
	Total Allocation under SPEMM	12000

- The fund-sharing pattern of 60:40 is to be followed as per the guidelines of Ministry of Finance.

The non-official member Dr. Shahid Akhtar observed that the amount allocated for the year 2019-20 is very meager and it is not possible to modernize or develop Madarsas/Institute in this budget. Therefore, Ministry of Finance may be requested to increase the budget allocation for the scheme.

Representative from Uttar Pradesh informed that their pending arrears are more than Rs.500 crore and they will not be in position to run the scheme with such a small amount. They have not submitted proposal from 2017-18 due to huge pendency at the Centre. The representative of UP also pointed out that the pay of teachers under the scheme is lower than the minimum wages in the state. The Chairperson informed that the scheme is under process of revision and this aspect could be examined at that stage.

Agenda 3: Discussion on Provision made by the State Government to meet their Share of Expenditure of 40% or 10 % as the case may be.

Prior to 2018-19, the centre was providing 100% grant under SPQEM scheme without any share of the State Government. In the year 2018-19 a decision was taken for Centrally Sponsored Schemes that States will contribute State share @10% for NER and Himalayan States and 40% for others. However in this regard, the PAB observed that most of the State Governments so far have not confirmed their commitment for the State Share of 40% or 10% as the case may be.

Representative from UP stated that the addendum issued in the year 2018-19 reflects that revised funding pattern will be applicable from the year 2018-19, but the releases of previous years i.e. 2016-17 and 2017-18 would be released as 100% central funding. Other States representative also expressed the same. Director (Finance) MHRD clarified that as per Finance Ministry's Guideline the new sharing pattern has to be followed. It was further clarified that after revision of funding pattern in 2018-19, any release from the fund allocation from 2018-19 onwards will attract the new sharing pattern since the budget is allocated for that year. It may be so that first installment. It was released prior to 2018-19 with 100% central share. However, the second installment to be released after 2018 will be as per the revised norms. It was decided that a clarification regarding the addendum and further directions will be issued to Chief Secretaries of all the State Governments.

Agenda 4: Decision to be taken regarding cases approved by CGIAC/PAB under SPQEM in the previous years up to 2016-17 but grant not released due to paucity of funds.

The Chairperson stated that as per the budget provisions mentioned in Agenda no. 2, the budget allocated for SPQEM General States (Other than NER States and UTs without Legislature) is Rs. 8788.00 lakh for the year 2019-20 while total pendency under SPQEM upto 2016-17 is Rs.19493.127 lakh. Thus the funds are not sufficient to meet the pendency for the previous years. Therefore it was decided to distribute the allocated budget in proportion of number of Madarsas, in States which have pending releases as approved by CGIAC/PAB under SPQEM up to 2016-17 i.e. Chhattisgarh, Madhya Pradesh, Bihar, Andhra

Pradesh, Rajasthan, Jharkhand, Karnataka, Uttar Pradesh. The release of funds will be restricted to the tentative allocation; in case if some states are not able to utilize the allocated funds, re-allocation of the budget will be considered. The methodology of tentative allocation of the budget was explained to the representatives of State Governments and Non Official Members. The proportionate amount allocated to States is as follow:

Table -2

(Rs. in lakh)

S.No.	State/UTs	Number of Madarsas	Percentage Share	Tentative Allocation
1	Andhra Pradesh	40	0.37	32.52
2	Chhattisgarh	64	0.59	52.03
3	Madhya Pradesh	517	4.78	420.33
4	Bihar	1185	10.96	963.44
5	Rajasthan	209	1.93	169.92
6	Jharkhand	218	2.02	177.24
7	Karnataka	16	0.15	13.01
8	Uttar Pradesh	8560	79.19	6959.50
	Total	10809	100.00	8788.00

Method used in calculation of amount to be disbursed to State as given in the above table:

Percentage Share (PS) = (No of Madarsas in a State/Total Number of Madarsas)*100;

Tentative Allocation = (PS * Total Amount Allocated under SPQEM i.e.8788.00)/100;

State wise discussion held regarding pending liabilities is as under:
