Minutes of the 18th meeting of the Project Approval Board held on 28.10.2011 to consider the AWP&B 2011-12 for RMSA for the State of Uttar Pradesh and Himachal Pradesh

The 18th meeting of the Project Approval Board for considering the Annual Work Plan and Budget (AWP&B) 2011-12 for RMSA for the State of Uttar Pradesh and Himachal Pradesh was held on 28.10.2011 under the Chairpersonship of Smt. Anshu Vaish, Secretary (SE&L). List of participants is at **Annexure-I**.

2. After welcome by JS (SE), the Annual Plan proposals were considered.

3. Himachal Pradesh

3.1 PAB had permitted the State of Himachal Pradesh to submit supplementary proposal (relating to quality interventions) in its meeting held on 25th May, 2011 (para 3.9 of PAB Minutes dated 27th July, 2011). State Project Director, RMSA, Himachal Pradesh made a presentation on the supplementary proposal (**Annexure-II**).

3.2 The PAB was informed that components like school annual grant, minor repair grant, in-service training of teachers, local excursion trip for students and science exhibition at district level were approved in the 9th meeting of the PAB held on 25th May, 2011. The present proposal includes other quality interventions such as special (remedial) teaching for academically weak students, learning resource centre, Yoga motivation and stress management for teachers, setting up of language lab, exposure visit for teachers and community members and aptitude test for class X students.

3.3 It was informed by TSG that, as for other States, a maximum of 20% of class IX students has been fixed as the upper limit for the intervention of special teaching (remedial) for academically weak students. The PAB approved 17035 students of class IX @ Rs 500/- per student (20% of class IX). The State Government was also informed that NCERT is piloting a project on learning achievement survey and it may be approached to assist the State Government to identify weaker students.

3.4 As proposed by State Government, exposure visits for 283 teachers (inter-state) and 14047 teachers (within State) were approved. However, it was suggested that proposal needs to be detailed further to ensure that these visits are to institutions that are immediately relevant and also those that have devised and implemented replicable innovative practices.

3.5 With regard to the proposal for establishment of language lab, it was deliberated in detail and PAB noted that only soft components (excluding infrastructure) could be supported and hence these were approved. Proposals

relating to setting up of learning resource centre, yoga, motivation and stress management for teachers were not approved as it was felt that these could be part of the general training component , as also exposure visit for community members and aptitude test for class X students were not agreed to by PAB.

3.6 The State Government informed the PAB that out of 45 new secondary schools sanctioned during 2010-11, (44 one-section schools and 1 two-section school), 31 schools have been notified. However, 29 of the 31 schools are other than the ones approved by the PAB previously and hence revised list needs to be approved by the PAB. The appraisal team informed that these 29 schools were part of schools listed, based on school mapping exercise undertaken by the State Government. These schools are proposed at a distance of 3.5 k.m. to 8.5 k.m. from the nearest Government school. Keeping in view the potential enrolment in such schools, the revised list of 29 schools proposed was approved by the PAB. (Annexure-III).

3.7 Detail of components, physical and financial approved of the supplementary proposal are as under:

(Rs in lakh)

Name of the components	Physical unit	Unit cost	Total approved
Special teaching for weaker students	17035	0.005	85.17
Exposure visit of teachers inter state	283	0.20	56.60
Exposure visit of teachers intra state	14047	0.002	28.10

Salary for 12 months for 4 teachers including headmaster per school for 31 schools functional during 2011-12	124	0.26	386.88
Total			571.35

4. Uttar Pradesh

4.1 Mr. Jitendra Kumar, Secretary, Education, Government of Uttar Pradesh made a presentation (**Annexure -IV**) highlighting the following:

- (i) 254 schools were sanctioned in the year 2009-10 are functional and 318 schools approved for up-gradation in the year 2010-11, are under construction.
- (ii) The School Management and Development Committee (SMDCs) have been formed in all the govt. secondary schools.

- (iii) Construction of additional class rooms, libraries, laboratories, Art/Craft/Culture Rooms, toilets etc. is being under taken through SMDCs.
- (iv) In-Service Teacher's Training is being organized through SCERT. Focus of training is *Science*.
- (v) Orientation of District Planning Teams have been carried out through SIEMAT
- (vi) Data Collection has been done through SEMIS format.
- (vii) 388 new schools are being proposed in special focus districts (SC, Naxalite & Minority concentrated districts) out of the total number of 761 proposed schools.

4.2 The following key issues were discussed while deliberating on the Annual Plan proposal:

- (i) Significant inconsistencies in the SEMIS data and its impact on (lack of) a coherent appraisal of the proposal of the State were pointed out. The State was requested to ensure that the SEMIS data collection and collation is effectively guided and monitored at every level so that empirical data on critical indicators are factual and updated.
- (ii) The actual number of un-served habitations is not yet identified as the distance matrix mapping is due in the districts for secondary schools. PAB stressed on the need to complete the same so as to arrive at the actual number of new schools and schools for up-gradation.
- (iii) On the issue of appointment of teachers where out of 12,896 sanctioned numbers of secondary teachers, 7143 are reported vacant, the State Govt. also indicated its concern and informed that efforts are on to fill the remaining vacancies.
- (iv) The issue of SMCs (as mandated under RTE Act), performing the role of SMDCs under RMSA in upgraded composite schools (instead of another distinct body being created) was discussed and it was suggested by the Secretary, that the necessary amendments to the RMSA guidelines be made to ensure that SMCs are enabled perform the role of SMDCs in composite schools.

4.3 Following discussions on the Annual Work Plan and Budget, 2011-12, PAB approved the following:

Literacy rates by gender and male- female gap in literacy rates since 1971

Literacy rates of males in Himachal Pradesh remained highest as compared to total literacy rates and female literacy rates since 1971 to the present Census year of 2011. While literacy rates of females remained lower to both male and total literacy rates during this period. Matter of a little satisfaction is this that the male-female gap in literacy rates is decreasing 1981 onwards, though it increased during 1971-1981.

Achievements as per Census 2011

- The literacy rate for Himachal Pradesh as per Census 2011 is 80.77 (Male-88.37 & Female- 71.34), which is 5.57 percent more than the literacy rate as per census 2001 (75.20%).
- The significant increase in literacy of females 6.94 % against 4.07 % increase in literacy of male.
- In all the districts of H.P. the increase in female literacy rate is more than the male literacy rate.
- The most striking feature of the Census 2011 in respect to H.P. is that the districts having lowest literacy rate as per Census 2001 i.e. Chamba (62.91) and Sirmaur (70.39) have attained maximum increase in the literacy rate as per Census 2011, i. e. for Chamba it is 10.28 % and for Sirmaur 9.59 %. More over there is very much significant & maximum increase in literacy rate of females in both the districts i.e. for Chamba it is 13.29 and for Sirmaur it is 12.18 against the 9.18 % for the State as a whole.
- The Hamirpur district has highest literacy rate (89.01 %) and lowest in Chamba district (73.19).

Quality Initiatives

Teachers Trainings

- Teacher training modules of Science, Maths and English have been developed.
- Master trainers in the subject of mathematics and science have been trained in collaboration with NIT Hamirpur.
- Minimum level competencies for Math, Science and English for secondary classes have been identified with the help of school teachers and experts and now the achievement level of students is being proposed to be measured based on these competencies.
- The SPO is also involving SCERT and SIEMAT for providing support in relation to RMSA trainings. Recently the SCERT has been assigned the task of preparing the plan for ensuring employability and Development of Guide Book on career guidance & Counseling for secondary school students.

Quality efforts- contd

- In all the trainings special focus is to train teachers in computer /IT education and CAL and recently the State Government has taken a decision that those teaching even the general subjects should be having some qualification related to computers so that they use the same while teaching.
- The process of teaching and learning through Active learning Methodology (ALM) is being proposed to be pilot tested in 50 schools of the state during the year 2011-12.
- The CCE is being proposed to be implemented in 50 pilot schools
- With the help of ANNADA foundation, the State has undertaken special programme for teachers and students on skill and personality development

Quality Initiatives....

- Vocational courses will be introduced in 63 Government senior secondary schools in 2011-12 with a view to improving the employability of students after they pass out from the schools.
- Setting up of Career Counseling cum guidance cell in the state is under process.
- The pattern of Examination has been reformulated for secondary & Higher secondary classes by abolishing board exam for 11th class and starting CCE on pilot basis in 9th and 10th.
- The vacation schedule of the school has been revised first by making it uniform for the state and secondly by rationalising the vacations in view of local festive and agricultural season, while maintaining the earlier level of academic days.
- Monitoring & Evaluation of performance of previous years.

Quality Initiatives....

Curriculum development and Examination reform

- The quality reform in education system are being worked out in consultation with the institutions like the SCERT, National Institute of Technology, HP University, NCERT and curriculum is reviewed according to the NCF 2005

SMC

- The SMC is monitoring the progress of implementation of all the components of the scheme under RMSA at school level
- SMC's Members have been authorised to supervise the school at regular intervals and school official are being accountable to the community. They are being trained for this job.
- Also partnered with Annada foundation for special programme for teachers and students on skill and personality development.
- The state has also entered into arrangement with Regional Institute of English to improve Communication Skills of students.

Other Quality Initiatives

- Rationalizations of teachers has been completed and teacher vacancies have either been filled up or they will be filled-up through new recruitment/ promotions in near future.
- The NCERT/SCERT/DIET/SEIMAT/NUEPA are providing in service and pre-service courses to educators, administrators of state and district levels.
- The Computer education /Computer Aided Learning is also being made an instrument for improvement in the classroom processes, convergence will be ensured with ICT project.
- Monitoring & Evaluation of performance of previous years. The State has under taken COHORT Analysis from the year 2003 onwards covering all classes from 1st to 10th. The results should be available by December. This along with achievement test being conducted through SCERT will help in focused planning.

Supplementary Quality Plan Proposal

S.No.	Intervention Proposed	Financial Requirement (in Lakh)
1	Proposal for Special teaching	250.00
2	Intervention for Learning Resource Centre (EDUSAT)	708.12
3	Yoga, Motivation and Stress management for Teachers	207.76
4	Establishment of four English Language Labs	67.80
5	Exposure Visit(Teachers and SMC Members)	69.41
6	Proposal for Aptitude test	143.79
Total Requirement (Rs. Fourteen Crore forty six lakh eighty eight thousand only)		1446.88

Appraisal report HP (Contd.....)

1. Special remedial teaching to students whose learning level is below average.
2. The appraisal team has recommended this intervention for 20% of enrolment of class 9th which is all right with us in view of small time left.
3. Presently the state is carrying out the study related to achievement levels of students enrolled in 9th class through SCERT.
4. Focus will be on those students whose achievement level is below 50%(i.e. Grade D & E in 8th Class.
5. It will be done through existing teachers normally. But in case the teachers are not available in the required number in any schools, this will be done through the teacher especially engaged by SMC for this purpose.
6. Some amount out of this component will be used for TLM, stationery items as may be required.

Language Lab

- The state has proposed for setting up of four language labs i.e. at SCERT in Solan, SIEMAT at Shimla, DIET Mandi and DIET Kangra at Dharamshala on pilot basis.
- Ultimate idea is to set up language lab in each school having ICT facility. The intervention will help to improve communication skills, vocabulary and other aspects of language, multimedia language laboratories would replace the existing blackboard teaching tool in government schools.
- Computerized language labs for English with modern technologies form the tools on learning programme.
- Teachers will be trained on usage of English labs with the help of Regional Institute of English(RIE), Chandigarh. The trainings will take place in the month of December and January focus will be on development of soft skills.
- For hardware component SPO will make convergence with other programmes like ICT, CAL etc.

Exposure Visit of teachers

- To keep our teachers update about the changes occurring in the national as well as global perspectives and to enhance their learning, it is very essential to plan for their exposure visit in the state which will be useful for their teaching profession from the point of view of their students. Planned to visit. The State Coordinators will tie-up with concerned Institute in advance so as to organise discussions, skill updation session in these institutes. The idea is to provide wider avenues in terms of career planning, to develop managerial skills and sensitivity for ground level realities.
- IIT Mandi, NIT Hamirpur, RIE Chandigarh etc.
- Institutions of higher learning,
- Institute of Advanced Study
- Various Research Institute
- Hydroelectric Power Stations
- Working of various institutions like Gram Panchayats, BDC, Zila Parishad, Vidhan Sabha etc.
- The duration of Exposure visit will be two days for inter district and 15 days for inter state.

Proposal for Aptitude test

- It is being decided to have Aptitude test for class 10th from the current session on the basis as conducted by CBSE. Proposed amount @ Rs. 150 per student is Rs. 143.78 lakh.

Enrolment of 10 th class	Unit cost	Total amount (in lakh)
95858	@ Rs. 150.00	143.78

The appraisal team suggested that this component be financed from MMER. However, as the plan size of the State of HP is small and the releases have been even smaller, the State is finding it difficult even to meet the salary requirement. Hence it is requested, to consider the proposal of the State as a separate component.

Civil Works

- The State has not been issued any funds under civil works component during the financial year 2010-11 and 2011-12. when the matter was raised it was conveyed that since the Utilization Certificate of previous release had not been submitted, hence new sanctions can not be accorded.
- It is submitted that most of the RMSA works are being executed through technical agencies like HPPWD, HIMUDA and BSNL. Who demands 100% amount as an advance. Most of the works are nearing completion and the Utilization Certificate regarding the complete school building will be submitted by December.
- It is also submitted that as we received the PAB approval (revised) of Rs. 123.90 crore for the year 2010-11. Accordingly in anticipation of receipt of all the funds as per sanctions, the component like school grant, teacher grant etc. were sanctioned for whole of the state, leading to a higher utilization of funds under these heads.

Civil Works (Contd.....)

Major Repairs proposal :

- During the PAB of AWP&B 2011-12 on dated 25th May, 2011, it was submitted that the State's proposal for major repairs was not sanctioned during 2010-11 because of non-submission of estimates and that the same be considered during 2011-12. In this regard it was decided that the same will be considered in the supplementary PAB meeting along with detailed estimates.
- The State has prepared the estimates for 408 secondary schools in various districts. The total proposed amount is 7.67 crore. All these schools have been existing for the last more than 10 years. The proposal was submitted to GOI vide letter No. EDN-H(6)5/2010(RMSA)-Plan2011-12-366 dated 9th Sept., 2011.
- It is requested to sanction the proposal keeping in view the urgent need for repairs.

Civil Works (Contd.....)

- The sanctioned amount of Rs. 123.90 crore also included in it the component related to strengthening of 351 existing schools. However, not even a single school be covered because of not receipt of funds. Till now out of approved amount we have received only recurring components of Rs. 17.94 crore (GOI 13.46 + State 4.48).
- 29 new schools opened by the state during 2010-11 as per the norms approved for the state have been recommended by the appraisal team. We request for early release of funds in relation to these along with salary component from 1st April, 2011.

Issues

- ❖ Budgetary support is needed to undertake GIS Mapping exercise.
- ❖ To develop Financial Management System, support is required.
- ❖ Coverage of Government Aided Secondary Schools is much higher than the government schools. It is important to support the aided schools under RMSA as it will help improving access, and quality.
- ❖ Performance Linked Support to Private Unaided Schools – it will minimize the cost of improving access and opening of new government secondary schools.
- ❖ Model School – Operationalization in PPP mode can be considered.
