5. **Issues relating to Educational Indicators:**

- **Gender Gap** is quite high for the State. The State Government informed about various efforts being made to reduce the gender gap and sought additional capacity in the existing girls hostels to increase the girls enrolment.
- **Enrolment** in the State has marginally declined. State Government clarified that though enrolment increased in 9<sup>th</sup> class but it reduced in Class X because 20,000 repeaters in Class X moved to Class XI indicating an increase in class XI, whereas overall enrolment for secondary and higher secondary classes is positive.
- **GER** has marginally declined from last year and is very low in districts like Barwani (50%), Sheopur (55%) and Alirajpur (58.30%).
- **Transition Rate** is lower than the national average but in respect of Girls it is improving which the State informed was due to various initiatives taken for the girl students.
- Though the **Retention Rate** has increased but it still needs further improvement.
- **Drop-out Rate** is very high in the State and the State was asked to take steps to reduce the same.

**Other Issues:**

- **Cleansing of U-DISE Data:** State informed that due to correction/ cleansing of UDISE data of 2013-14 and 2014-15, there are huge variations in the same whereas w.e.f. 2015-16, the data has stabilised.
- **Low Pass Percentage:** State Government agreed that they still have to go a long way to improve the standard of education in the State but are moving in that direction.
- **Aadhar enrolment of Students and Teachers:** State Government was asked to complete Aadhar enrolment of students on priority basis and update on UDISE database.
- State Government informed that the training is complete for implementation of **Shaala Siddhi** and they are in the process of sorting out procedural issues and will implement the same in the state in the **next two months**. State Government further made a request for enhanced allocation of funds for Shaala Siddhi and raised the need for having training to Teachers including hand-on training also to get quality inputs as against present schedule of training to Principals and Resource Persons. Further, State raised the need to have Residential Training for 4 days followed by Refresher training after 1 month. NUEPA was asked to take feedback and assess the position.
- **GIS Mapping:** State Government was asked to complete GIS mapping of all schools including private schools by 31st March, 2017.
- **Electricity:** State Government informed that all schools will be electrified in the next 3 months as Electricity Boards have already been provided Rs. 20 crore for this purpose.

State Government was asked to take support of State Resource Groups who have already

been trained and asked NCERT to share the guidelines framed in this regard with all the States including Madhya Pradesh.

- State Government was asked to share results of pre and post tests of **Remedial Learning**. The Impact Assessment Document sent by Tamil Nadu to the Ministry will also be shared with Madhya Pradesh for reference.

### Programme Implementation:

#### **Girls Hostel:**
