Minutes of the Meeting held on 15th March, 2017 for approval of Annual Work Plan & Budget for the year 2017-18 of Odisha State under the Centrally Sponsored Scheme of the Rashtriya Madhyamik Shiksha Abhiyan (RMSA).

A meeting of the Project Approval Board (PAB) to consider the Annual Work Plan & Budget for the year 2017-18 of the State of Odisha was held on 15th March, 2017.

2. The list of participants who attended the meeting is at **Annexure-I**.

3. Joint Secretary welcomed the participants. In his opening remarks, he appreciated the efforts of the State under RMSA. Director (RMSA-II) highlighted the overall status of secondary education in the State, areas of concern and details of the proposal of Annual Work Plan & Budget (AWP&B) for RMSA for 2017-18. A copy of Presentation is at **Annexure-II**.

Discussions were held on the areas of concern, point-wise, as follows:

3.1 RMSA:

3.1.1 Construction of only 486 New schools has been completed, out of 864 approved with completion rate of 56.25%. Construction work of remaining 311 schools is yet to be taken up. Secretary, Education, Odisha, assured that remaining works will be completed on priority basis this year.

3.1.2 A total of 864 posts of Headmasters and 5720 posts of teachers are sanctioned in the State but only 336 HMs and 1329 teachers have been appointed till date.

The Joint Secretary expressed concern over the large vacancy of 528 posts of Head Masters & 4391 posts of teachers and requested the State to fill up the vacancies on priority basis. Secretary, Education, Odisha, stated that teacher rationalisation and recruitment will be done to encounter the issue of teacher vacancy. She has also informed that there is no direct recruitment of HMs. It was also discussed that the recruitment rules for the HMs may be amended for introducing direct recruitment.

3.2 Girls Hostels:

3.2.1 173 hostels have been approved till 2016-17. Construction of 12 hostels has been completed with completion rate of only 7%. Construction work is under progress in 106 hostels (in which 48 are at finishing level) and construction work has not been started in 55 hostels. The State Government stated that from June 2017, 60 hostels will be made functional with full capacity.

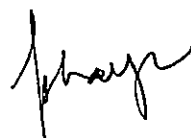

Secretary Education Odisha Govt stated that Girls Hostels approved in the years 2009-10 (8 Girls Hostels) and 2010-11 (52 Girls Hostels) at a fixed cost of Rs.42.50 lakh per hostel, have been constructed without the boundary wall. It was stated that due to the delay in construction and rise in prices, the state could not construct the boundary walls in these hostels. In the absence of boundary wall, it would be unsafe for the girls to reside in these hostels. Total Cost of Rs. 15 lakh per GH was proposed by the State for construction of Boundary walls. In view of the need for security of girl children residing in the hostels, boundary wall for these 60 GHs was approved with unit cost of Rs.11.76 lakh per Girls Hostel after deducting the normative cost of Rs. 3.24 lakh per hostel approved earlier. Recurring grant for 60 hostels for 10 months was also approved.

3.3 ICT :

Under ICT Component, 6000 schools have been approved till 2016-17. The implementation of ICT has not been taken up in 2000 schools. In 2016-17, State had requested for surrender of 100 schools out of 2000 schools (approved in 2012-13) and approval of 100 model schools instead. PAB (2016-17) agreed to the proposal of the state "in principle" and requested to provide the details of 100 schools. List of 100 schools are provided by State and same is replaced with 100 schools (out of 2000 schools). Third party evaluation Report & Comprehensive report for 4000 schools is pending with State government of Odisha. Secretary Education, Odisha stated that third party evaluation of ICT scheme is underway and the results will soon be shared with MHRD.

3.4 Vocational Education

208 schools have been approved till 2016-17 for implementation, and all 208 schools are made functional by the State. The State does not have composite schools upto 12th. The state has notified +2 colleges under Department of school education. The state has ensured smooth transition of class 10th students to higher secondary vocational courses.

3.5 IEDSS

Under IEDSS, till date no special educators have been recruited by the State.

3.6 Joint Secretary, MHRD observed that State should ensure timely submission of audit reports and utilisation certificates so that the central funds could be released and the implementation of Scheme may not be hampered. He emphasised that unspent balance available under the NR component of the Scheme may be utilised on priority. The state of Odisha was asked to complete the child wise data alongwith Aadhar number/unique ID for all students by 31st March 2017, as releases under fresh non-recurring outlay will be subject to the child wise enrolment data uploaded on UDISE platform.

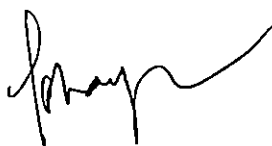

4. Education Indicators :-

Joint Secretary (SE-I) enquired about reasons for the continuous decline in transition rate. He also asked the State to identify the districts where the transition rate is low, and send a report on the steps taken. He suggested that assessment of the students may be done after completion of 8th and 9th class and the State should provide remedial teaching beyond school hours and during the holidays.
