Minutes of the Meeting held on 8th March, 2017 for approval of Annual Work Plan & Budget 2017-18 of Bihar under the Centrally Sponsored Scheme of the Rashtriya Madhyamik Shiksha Abhiyan (RMSA).

The Project Approval Board (PAB) meeting to consider the Annual Work Plan & Budget (AWP&B) of RMSA for the year 2017-18 in respect of the State of Bihar was held on 8th March, 2017.

2. The list of participants who attended the meeting is at **Annexure-I**.

3. Joint Secretary (SE&L) welcomed the participants. Director (RMSA.1) highlighted the overall status of secondary education in the State, areas of concern and details of the proposal of Annual Work Plan & Budget (AWP&B) for RMSA for 2017-18. A copy of Presentation is at **Annexure-II**.

Discussions were held on the areas of concern, point-wise, as follows:

Education Indicators:-

- There has been a decrease of 68,533 (2%) in enrolment i.e. from 34,21,427 (2015-16) to 33,52,894 (2016-17).
- The Gross Enrolment Ratio (GER) at Secondary level has decreased from 78.37% (2015-16) to 76.80% (2016-17).
- The Net Enrolment Ratio (NER) has marginally increased from 48.62% (2015-16) to 49.03% in the year 2016-17.
- There is a sharp increase in drop out rate in the State from 0%(2015-16) to 9.47%(2016-17).
- The Retention Rate has also decreased a lot from 100% (2015-16) to 90.53% (2016-17)
- The Gender Parity Index (GPI) has increased from 1.18 (2015-16) to 1.21 (2016-17).
- The Gender Gap in enrolment at State level has decreased from 0.36 (2015-16) to -1 (2016-17).
- The adverse Pupil teacher ratio (PTR) at State level has further increased from 89 (2015-16) to 96 in 2016-17.
- The Student Classroom Ratio (SCR) at State level has decreased from 121 (2015-16) to 82 (2016-17).

Issues related to Educational Indicators:

There has been a decline of 68,533 students at secondary level during the year 2016-17. State Government informed that this may be due to removal of duplicate enrolment and further informed that the thrust is on girl education and girl students are also provided with bicycle upto class X alongwith other incentives like Cash incentive to girl students of Class 9-12 @ Rs. 1,000/- per girl for purchase of uniform and further incentives for girls who pass +2 in I and II Division.

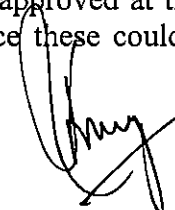

- The GER of State is below the national average and has further reduced from 78.37% in 2015-16 to 76.80% in 2016-17, which would be because of the decrease in enrolment. The State Government was asked to take urgent steps to improve enrolment and GER.
- Urgent need to **provide student-wise data to NUEPA for UDISE**: State Government assured of completing the task by June, 2017 as they have already started the process and informed that the data of 34,000 students is available off-line.
- Though Gender gap and GPI is good in the State but **PTR, SCR, Retention Rate, Drop out Rate and Transition Rate** are all areas of concern. State Government informed that due to strict exams conducted by the State in 2015-16, drop out has increased and Retention Rate has decreased. However, they are undertaking remedial teaching to improve the quality of learning of students at secondary level. The State was informed that the progress against remedial teaching by the State is very unsatisfactory.
- **Low Pass Percentage**: State Government informed that the pass percentage is low as the exam structure was made very strict for 2015-16. JS(SE.1) asked the State to prepare students for taking strict exams and ensure adequate training to teachers also in this regard.
- **PTR**: It is observed that against the accepted subject-wise national norm of 160:1 PTR per subject, the position of PTR is very unsatisfactory in the State and specially the situation in respect of English is very alarming. State Government is asked to take urgent steps to improve the PTR position.

Other Issues:

- **Extreme shortage of Teachers**: The Principal Secretary (Education) stated that as the qualification requirement of teachers is high (M.Sc with B.Ed) and there is low rate of salary (Rs. 20,000-25,000) and only local teachers are recruited, there is extreme shortage of teachers especially of Science and Maths in the State. He further informed that inspite of taking up recruitment drives, they are unable to fill up the vacancies of teachers. State also informed that in order to overcome the problem, they are starting virtual classes in all 10000 schools where ICT is under implementation. Further they are also engaging Guest Teachers (from existing and retired teachers) by paying honorarium of Rs. 1000 per class per Teacher. State also informed that they are thinking of revising the salary of Teachers.

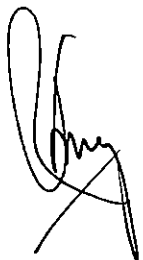

- **Untrained Teachers:** State Government was informed about the issue of untrained teachers in the State. State informed that they are aware of the issue and are trying to take corrective measures but are unable to get training institutions to train the teachers. It was suggested that they may take the help of existing Teacher Training Institutions and also explore feasibility of setting up more Teacher training institutions in the long run.
- **Implementation of Shaala Siddhi:** State Government informed that training sessions are scheduled for 17-18 March 2017 and Shaala Siddhi will be implemented thereafter. State Government was asked to implement **Shaala Siddhi** this year in all its schools.
- **Non-availability of electricity in schools:** State informed that in the villages which have electricity, the department has been requested to provide electricity in the schools and further informed that target has been set for electrifying all the villages of the State by 2018.
- **Recurring Activities:** It was pointed out that State Govt. has not conducted various recurring activities including **Self Defence Training, Remedial Classes, Teacher Training** etc. during the year 2016-17. State informed that due to internal issues relating to release of funds by the State, they could not undertake these activities but the issues relating to funds have now been resolved and State assured that they will conduct these activities properly and in time during 2017-18.
- **Teacher Salary:** State raised the issue of non-recommendation of salary for un-trained teachers and requested for approval of salary for all in-position teachers. They clarified that earlier teachers were recruited without training and the capacity to train all Teachers is not available in the State. However, now they have enrolled the Teachers for training and the Teachers are likely to complete the training in 2017-18. In addition State also informed that as per NCTE guidelines, relaxation is provided to engage SC/ST teachers without training and requested for considering approval of salary for those teachers also. Further they informed that they are now engaging only Trained Teachers. The salary of un-trained teachers was approved subject to State giving undertaking that all the Teachers have already enrolled for training.
- **Slow Progress of Civil Works:** State Government informed that no funds for civil works were received in the last 3 years and fund for Civil Works in 2016-17 was received in September, 2016 only and hence there is slow progress. It was informed that non-release of funds from Ministry is due to non-receipt of requisite financial documents from the State. State informed that since now Corporation is undertaking the job, they will now show progress and complete 50% of approved civil works within next 6 months. Further, they would send the progress and requisite financial documents for further release of funds.
- **Surrender of approved New Schools and approved Strengthening of schools due to slow progress:** State Government informed that slow progress of civil works is because the approvals are of 2009-10, 2010-11 and 2011-12 and the rates approved at that time are now inadequate for undertaking the approved works and hence these could not be

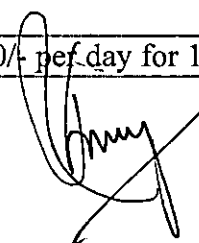

completed. Further, they also informed that State has strength of 5 lakh teachers and major part of the budget is spent on payment of salary/allowance, etc. and so State could not afford to meet the balance financial implication from State resources and hence they have requested for revalidation of the earlier approvals at current SSoR. As per PMS, construction is complete in 11 New Schools and construction is in progress in 5 other New schools.

- **Girls Hostels:** Out of 530 EBBs in the State, Girls Hostels are approved in 385 EBBs and out of the approved 385 Girls Hostel, only 100 Hostels have been made functional by the State so far. State Government informed that construction of 127 Girls Hostels is complete and State is in the process of purchasing furniture etc. for these 127 hostels and will make all these hostels functional in a month or two. State also informed that they will make another 75 Hostels functional w.e.f. 2017-18 in rented premises.
- Regarding request of State for **enhancing the rates for the staff of Hostels**, it was informed that provision for rate to Girls Hostel staff is made as per the Girls Hostel scheme under RMSA and the short fall if any may be borne by the State concerned.
- Regarding **slow progress of implementation of Vocational Education** component of RMSA, State informed that they are taking steps and there will be progress in VE during the year 2017-18.
- **Reconstitution of SMDCs:** State Government was asked to re-constitute SMDCs @ 16 per Committee as per RMSA norms.
- **Teacher Training:** State requested for enhancing the rate of Training as Rs. 300/- per day is inadequate. State Government was informed that certain expenditure such as TA/DA of Resource Persons, participants may be borne by State funds and conduct of workshop may be met out of RMSA funds.
- State Government was asked to ensure that **Remedial Teaching** classes are conducted during the summer vacation in May-June, 2017 and continued thereafter based on the need.
- State informed that the quality of **Science & Maths Kits** provided by the firms empanelled by NCERT is not satisfactory and the size of instrument provided in the kit is too small and cannot be used for demonstration purpose and hence these were not procured by the State despite approvals for 2016-17. NCERT was asked to look into the issue and resolve it at the earliest.
