Ministry of Education
Government of India

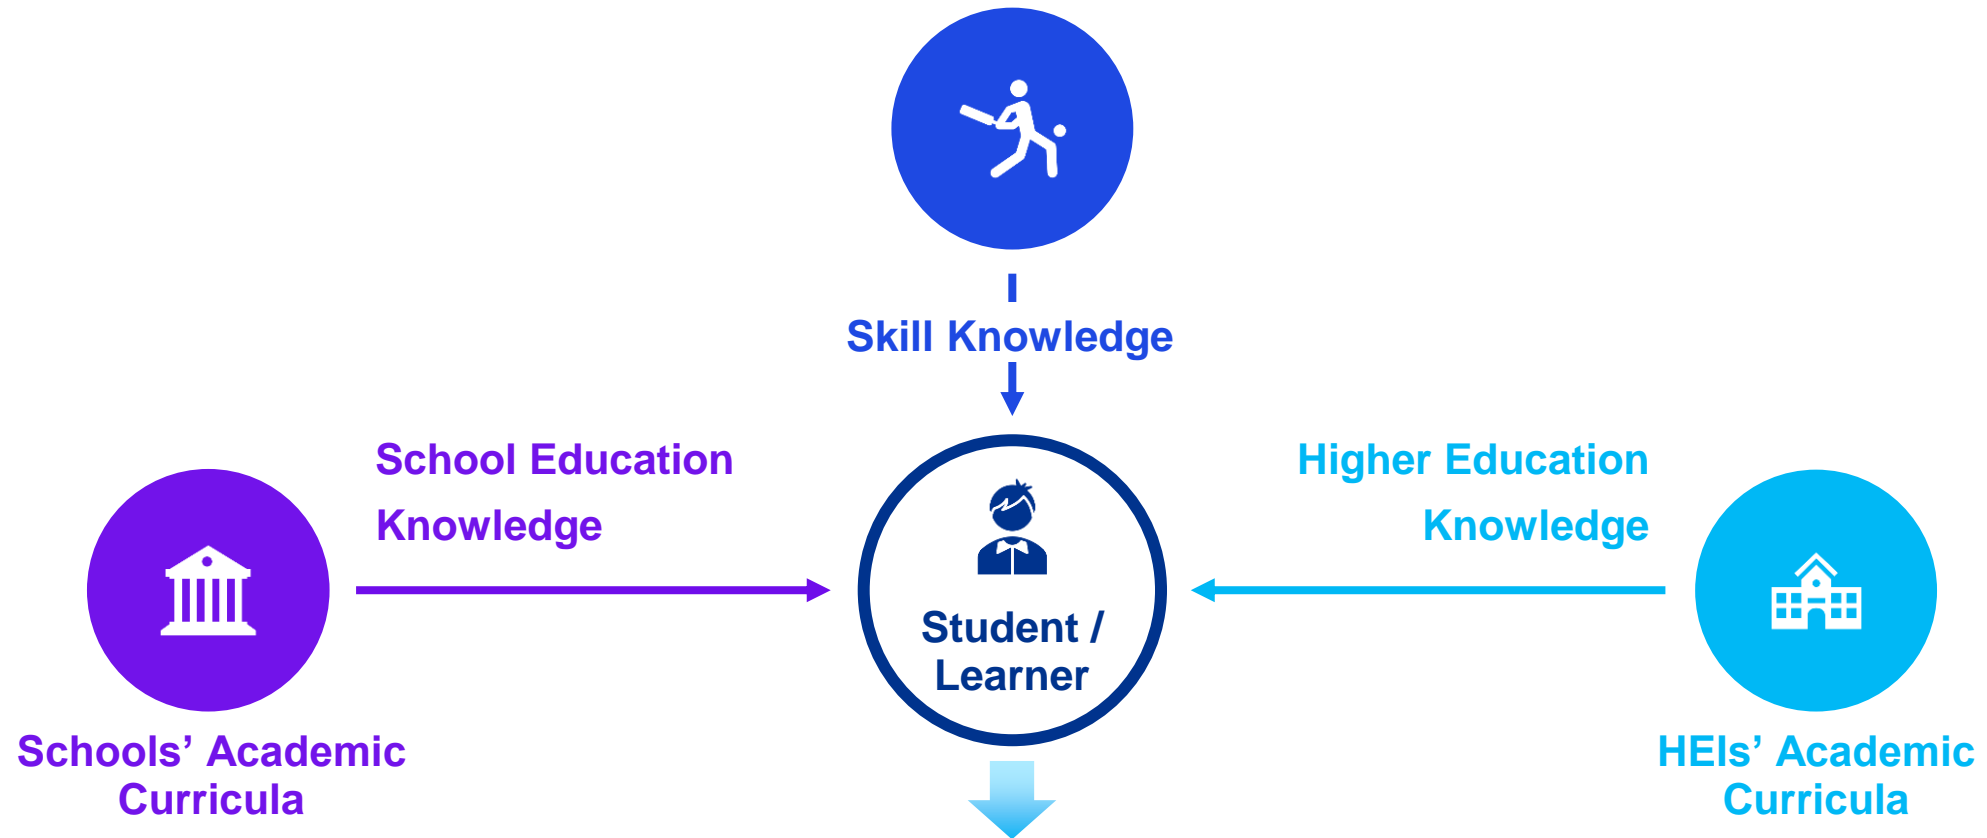

Credit Accumulation and Seamless Creditization using APAAR ID

Akhil Bhartiya Shiksha Samagam

Govind Jaiswal, Joint Secretary,
Department of Higher Education, Ministry of Education

29th July 2024

Education Ecosystem – Fostering Knowledge and Growth

Realizing the Complete Potential

Streamlining these degrees into a Unified ID System

APAAR ID

Transforming Education,
Empowering Futures!

One Nation, One Student ID

Observed need for a Unique Student ID

UIDAI Strategy Overview, 2006

Suggested to mandate that at the time of joining school (first standard) it is necessary for children to have a UID or to enrol for one. This way the child can be tracked for progress.

Interim Report submitted by the Directors of IIT, 2010

Discussed on the issuance of a unique identity to each student, implemented by the Unique Identification Scheme.

Numerous such recommendations have been made over the years with limited success, but that is changing now!

This Government, under the leadership of Hon'ble Prime Minister Sh. Narendra Modi and Hon'ble Union Minister of Education Sh. Dharmendra Pradhan, took cognizance and understood the requirements for a student ID.

As a result,

Academic Bank of Credits (ABC) was launched in 2021!

Linkage between NEP, NCrF, and ABC

NEP 2020 calls for assimilation and streamlining of skilling with academic qualifications

To realize this, NCrF aims to create a single credit system across skill, school, and higher education.

Under ABC, APAAR ID enables mobility within and between skill and academic education

NCrF Levels	Academic Level (NSEQF/ NHEQF)	Skill Level (NSQF)
Level – 0.1 to 1	• Pre School – Class V	• Level – 1 STT
Level – 1.33 to 2	• Class VI – Class VIII	• Level – 2 STT
Level – 2.5 to 3	• Class IX – Class X	• 8 th + 1-2 Yr. NTC/NAC, Level – 3 STT
Level – 3.5 to 4	• Class XI – Class XII	• 10 th + 1-2 Yr. NTC/NAC/CITS, Level – 4 STT
Level – 4.5 to 5.5	• UG 1 st Year – UG 3 rd Year	• X th +3-5 Yr. NTC/NAC/CITS, • XII th + 1-3 Yr. NTC/NAC/CITS, Level – 5 STT
Level – 6	• 4 Year UG with Hons/Hons. With Research/ PG 1 st Year	• Level – 6 STT
Level – 6.5 to 7	• PG 2 nd Year/ PG 1 st Year (Eng) – 2 nd Year (Eng)	• Level – 6.5 to 7 STT
Level - 8	• Ph.D	• Level – 8 STT

NCrF – Establishing Equivalence of Knowledge

The NCrF Framework aims to:

Dilute the separation between Academics and Skill Development.

Do away with the equivalence of degree and bring in the **equivalence of knowledge**.

Make India a **knowledge-based country** and a **knowledge-based economy**.

Let us understand this from an example

Student A is in a PG Course of Level 6 (as per NCrF)

Student B is also in the same PG Course of Level 6 (as per NCrF)

Academic Programs

Program 1
160 Credits

Program 3
140 Credits

Skill Programs

Program 2
20 Credits

Program 4
40 Credits

Total Level 6 Credits accumulated by Student A: 180

Equivalence of Knowledge

Total Level 6 Credits accumulated by Student B: 180

ABC – Providing an architecture to enable NCrF

- APAAR ID's aims is to **break the siloed approach of accumulating credits from academic curricula and skill development programs by incorporating them together.**
- This **incorporation** is what that will be used to **define the true potential of a student/learner.**

Aligned with NEP 2020, APAAR ID provides:

- 01 Credit Repository:** Stores and manages academic and skill achievements digitally.
- 02 Streamlined Admissions:** Simplifies the admission process across institutions.
- 03 Holistic Development Tracking:** Monitors student progress in multiple disciplines.
- 04 Lifelong Learning:** Supports continuous learning and skill development.
- 05 Interoperability:** Ensures seamless integration with educational platforms.

Process Flow of APAAR ID for Education/Skill Institutes

01

Register on ABC Portal via NAD

- All HEIs, Schools, and Skill Development Centers should **get themselves registered on NAD Portal**
- This will enable the Institution to get **registered with the ABC Portal.**

02

Create APAAR IDs for All Students

- All Institutions should **create APAAR IDs for all students/learners** in their ecosystem.
- This will **enable students to accumulate, check, verify their credit information from ABC Portal.**
- Further, **enable for multiple-entry-and-exit into the education and skilling ecosystems.**

03

Integrate ERP with NAD

- **Integrate your existing ERP solution with NAD,** enabling for data upload.
- This enables for **real-time upload of results on NAD** for **direct integration with ABC Portal.**

04

Report Credits on NAD

- **Upload all credit data** of all students (with mandatory APAAR ID) **on a real-time basis.**
- This will enable the students to **check their credits on ABC Portal** and reap the benefits as per NCrF Framework.

Government's Initiatives for APOAR ID Adoption

Efforts for APAAR ID Adoption

01

Launch of SAMARTH ERP Solution

- Aims to **enable the universities and Higher Education Institutions (HEIs)** through a **digital framework**.
- **Ability to create APAAR ID for students**
- **Integrated with NAD for credit data upload**
- **4,000+ HEIs Onboarded**

02

Joining hands with CSCs

- The Ministry of Education (MoE) and Common Services Centers (CSC) have **signed an MoU for APAAR ID adoption**
- **Around 5 Lakh CSCs onboarded.**

03

Integration with Vidya Samiksha Kendras

- **Integrating VSK Ecosystem** for efficient APAAR ID Usage and Verification
- Enabling for **customized and lifelong learning paths** for students.

04

Support from Digital India Corporation

- **State-wise Nodal persons have been allocated** to implement **ABC and NAD Upload.**
- **Scheduled Video Conferencing Sessions** for query resolution
- Special focus on **student query redressal through Tech Support**

Taking the big leap

Integration of APAAR ID with various student touch points

Usage of APAAR ID in the Student Lifecycle

Student/
Learner

01. Interface with School

1. PM-POSHAN Scheme
2. National Means cum Merit Scholarships (NMMS)
3. Other WCD Initiatives
4. VSK/Samagra Shiksha Integration

02. Entrance Test Preparation

1. SATHEE Platform (Ministry of Education)
2. Ed-Tech Entities
3. Other Private Players

03. Entrance Test Application

1. UG Entrance Tests (CUET, JEE Mains/Advanced, NEET)
2. PG Entrance Tests (MBA, Medical etc.)

04. Admission Process

1. Shortlisting/Counselling
2. ERP Integration (SAMARTH)
3. Professional Bodies (ICAI, ICSI etc.)

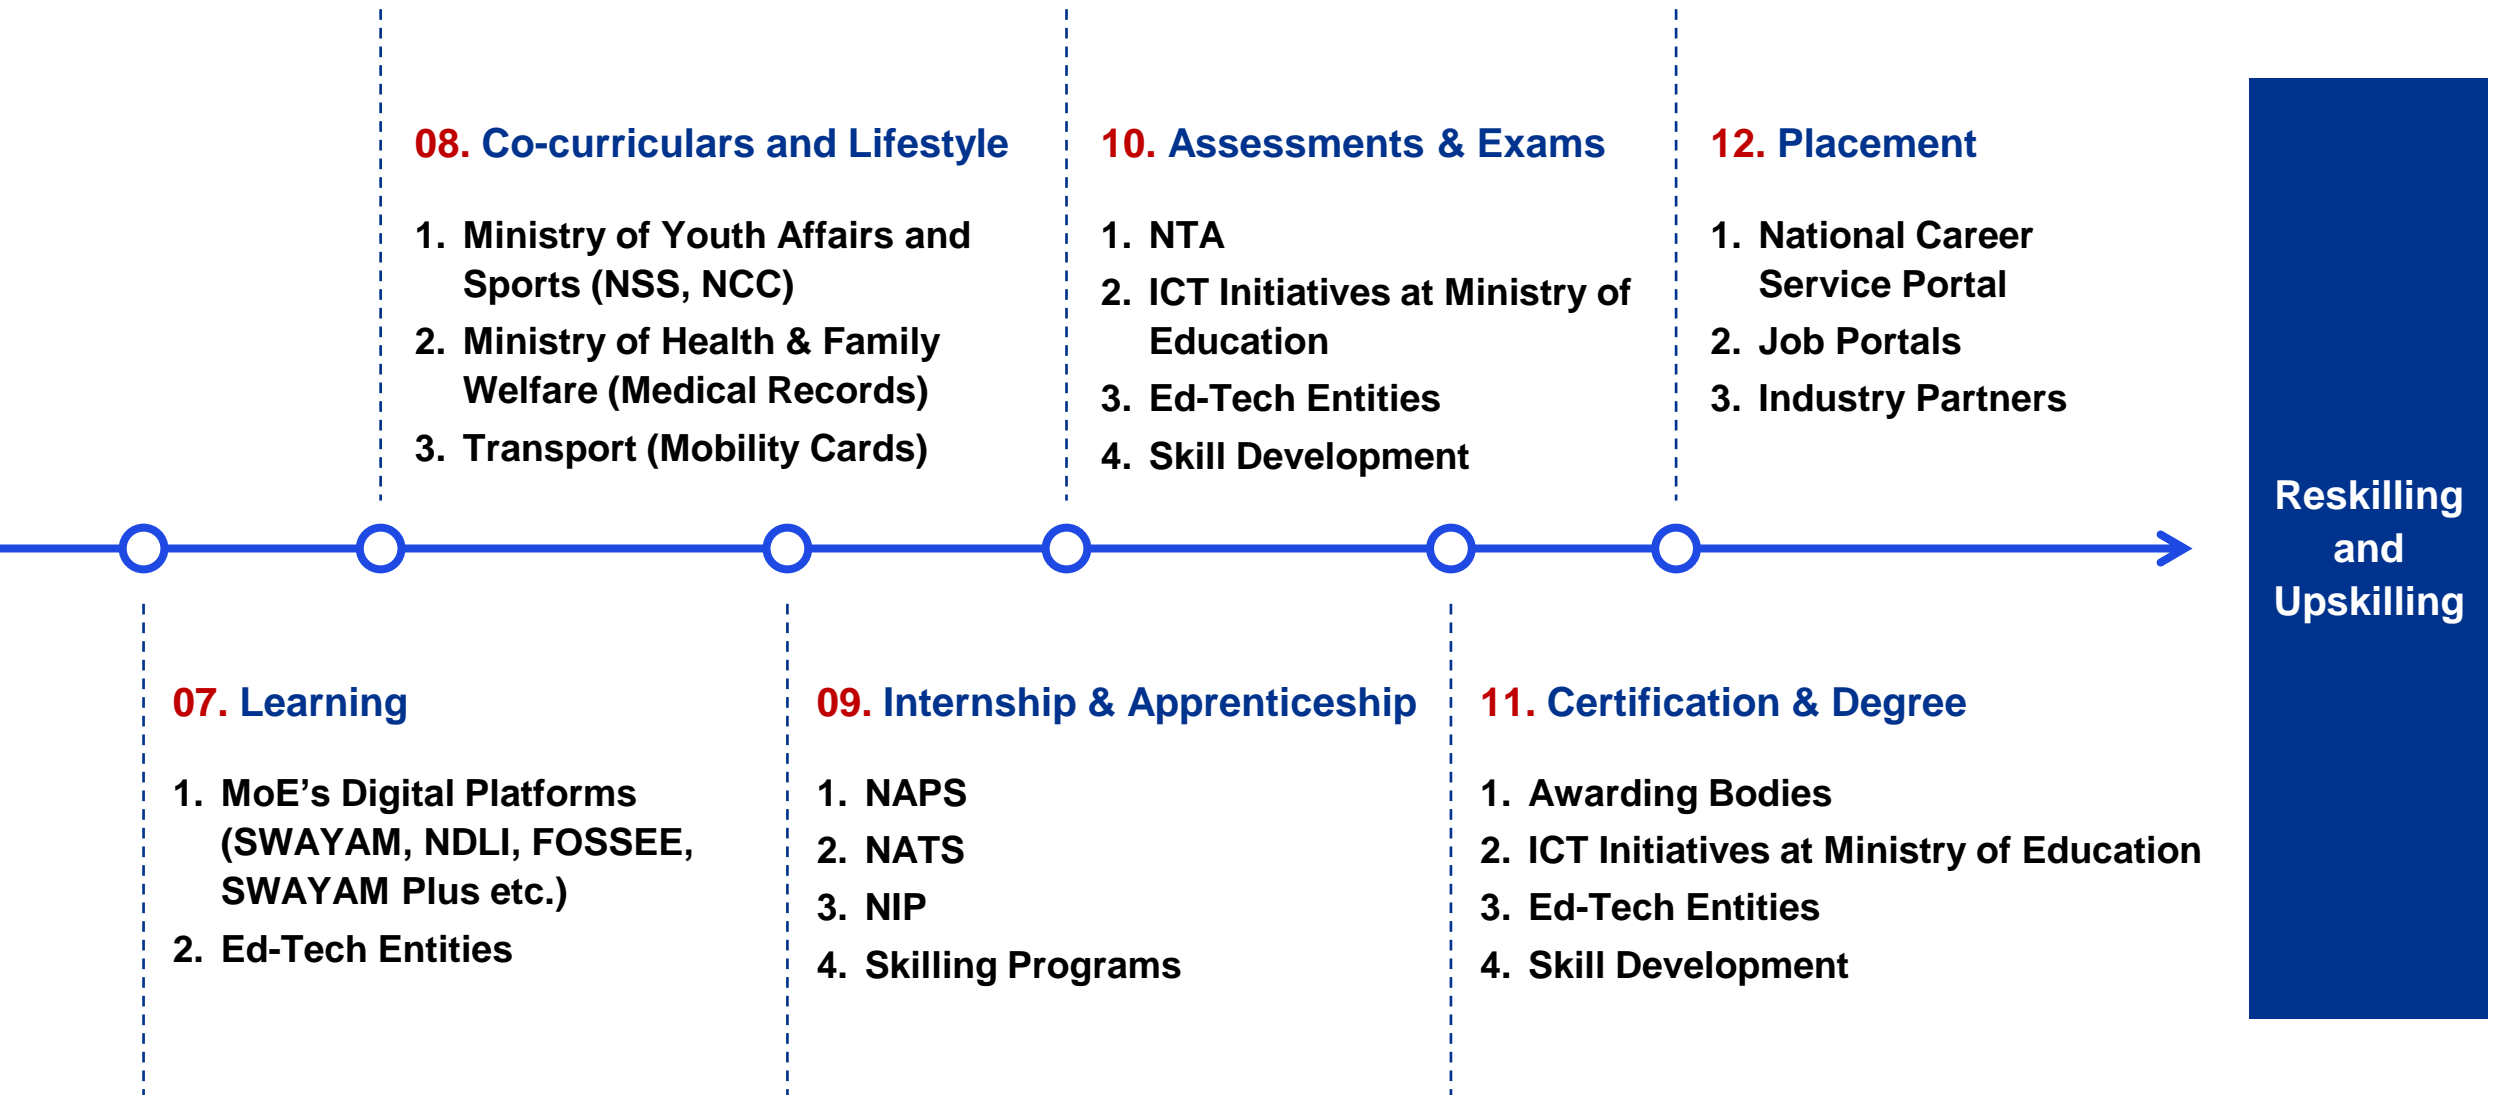

05. Education Loan Disbursement

1. Banking Financial Institutions
2. Non-banking Financial Institutions

06. Scholarships

1. National Scholarship Portal
2. AICTE
3. UGC
4. Industry Partners/ State Governments

Usage of APAAR ID in the Student Lifecycle

Education Ecosystem 2.0

Envisaged Future

NEP 2020 – Vision to create a Knowledge Based Country and Economy

Demand Generation for Education Ecosystem 2.0

Academic Ecosystem

Employment Ecosystem

National Education Policy 2020 Vision and Role of APAAR

Student Arjuna gathered Formal Education in Archery from his teacher and mentor Guru Dronacharya

Learner Eklavya, on the other hand, was self-taught in the field of Archery and had an Informal Education.

Education Ecosystem 2.0

Enabling Equivalence of Knowledge

VIKSIT BHARAT-2047

Thank You
