Book Launch related to Intellectual Heritage Project

Under this project, Higher Education Institutions worked to map different dimensions of development of country, which is achieved by implementation of various policies and programs of the Govt. during last decade. These institutions did their social impact evaluation studies, based on secondary data, which culminated in a series of theme centered books. This series of studies is being published by National Book Trust of India.

1. Beyond Boundaries - A Study of Social Impact of Man Ki Baat by Gobind Ballav Pant Social Science Institute.
2. Policies for the POOR and Marginals - A study of Garb Kalyan Schemes in India by Gobind Ballav Pant Social Science Institute.
3. Towards Naya Bharat - A study of Infrastructure, Community and development by National Institute of Industrial Engineering, Mumbai.
4. Renewable Energy - A study of Green Energy and its sustainable use in India by IIT, Kanpur.
5. Making New India - A Study by National development Corporation.

In addition to above, two more books, namely:

1. Man Ki Baat - Inspiring Transformational Capacity of a Nation and its People by Kamakotti V, Venkat Raghwan KS, Krishnan Narayanan and Murlidharn V.R from IIT Madras.
2. Empowering India - Ideas for Action by Scientists and Engineers by Thalappil Pradeep and Krishnan Narayanan.
