Rajasthan's vision & goals

1 Access for all
- Each child has access to a safe & constructive learning environment

2 All students are grade-level competent
- No child is left behind
- Each child has strong conceptual understanding, not just rote

3 System is effectively governed
- Transparent & data-driven governance
- Holding people accountable while also motivating them

4

Rajasthan's approach: focus on quality learning for each segment

(1) ECCE & Gr 1-2

Build a solid foundation

(2) Gr 3-8

Bridge learning gaps- setup for success

(3) Gr 9-12

Strive for excellence

(4) Holistic development of the child

(5) Motivate: inspire the field to drive behaviors

(6) Govern: hold the field accountable

Rajasthan's approach: focus on quality learning for each segment

1 **ECCE & Gr 1-2**

Build a solid foundation

2 **Gr 3-8**

Bridge learning gaps- setup for success

3 **Gr 9-12**

Strive for excellence

4 Holistic development of the child

5 Motivate: inspire the field to drive behaviors

6 Govern: hold the field accountable

Highlight |
69% Anganwadi Centers integrated with schools

Department of Integrated Child Development Services (ICDS) operates 62,022 Aanganwadi Centres (AWCs) in Rajasthan.

Integration of AWCs with primary/upper primary/secondary/senior secondary government schools.

Aims to provide education and nutrition to children attending AWCs.

Physical Integration: 19,593 AWCs co-located within government school premises.

Functional Integration: 22,961 AWCs situated within a 700-meter radius of government schools.

Achievements in integration of AWCs with Schools

Coherence in pedagogy

- Aligning academic calendar
- Child centered pedagogy being practiced

Increase in Community Participation

- Inclusion of AWC in SMC agenda
- PAM and PTM day held on the same date

Support in AWC Enrollment

- Easier access to center
- Support to AWW in outreach
- Upliftment of AWC status

आंगनबाडी पाठशाला
Integration of AWC with School

Sharing of Infrastructure

- Room & playground
- Toilets for children & staff
- Drinking water & Electricity is available

Increase in Accountability

- Principal takes the responsibility for AWC
- Increased supportive supervision

Mentoring Support for Workers

- Handholding support for ECCE
- Support in child assessment
- Appointment of ECCE mentor teachers (Grade 1 and 2 teachers) for support to AWWs.

8

ECCE & Grade 1-2| Building a solid foundation

**Engaging learning environment:** children want to **come** to school

Child-friendly furniture in 37K Anganwadi centres

Indoor Play Material (doctor set, kitchen set, wooden block and car) in 925 Pre- primary sections

Outdoor Play Material in 34K Anganwadi centers: slide, see-saw & rocker

Engaging learning materials: children want to **stay** in school

School Readiness : Workbook for grade 1 students and Guidebook for teachers for making students school ready in 3 months

**MLE instructional package** : Handbook for teachers, Children materials

Monthly Sector meeting and Parent Anganwadi worker meeting

9

# ECCE & Grade 1-2| Building a solid foundation

Operation of 1033 pre-primary classes (Nursery/L.K.G./U.K.G.) in Mahatma Gandhi English Medium Schools (Bal Vatika)

1836 teachers deployed after a special 90-day training. Teachers from ICDS or with NTT qualifications
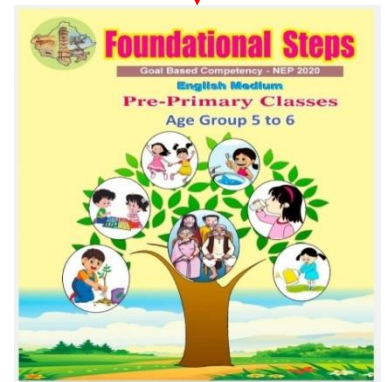

Early Steps for Age group 3 to 4
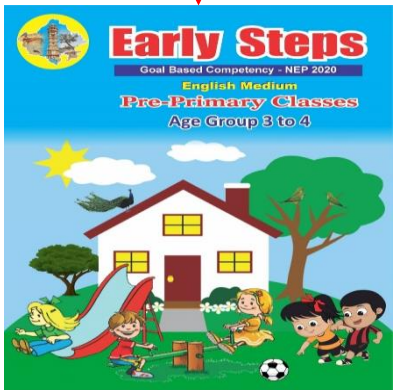

Little Steps for Age group 4 to 5

Foundational Steps for Age group 5 to 6

# Rajasthan's approach: focus on quality learning for each segment

1 ECCE & Gr 1-2

2 Gr 3-8

3 Gr 9-12

Build a solid foundation

Bridge learning gaps- setup for success

Strive for excellence

4 Motivate: inspire the field to drive behaviors

5 Motivate: inspire the field to drive behaviors

6 Govern: hold the field accountable

Grade 3-8| Bridging learning gaps

Dedicated remediation program launched by Hon'ble. Chief Minister- **daily remediation periods**

50 lac+ workbooks on behind-grade competencies; **Workbooks designed on data-** more worksheets on competencies students are struggling with

Activity-based learning- facilitated by **teacher-led videos** on how to teach & an **app-based job aid**
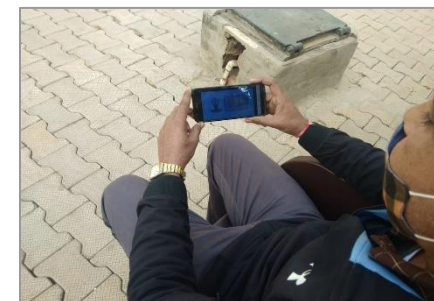

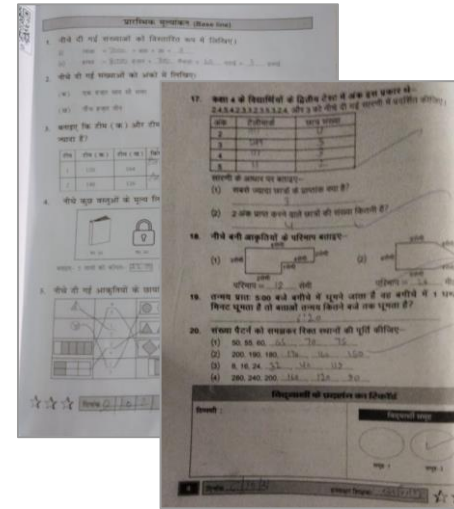

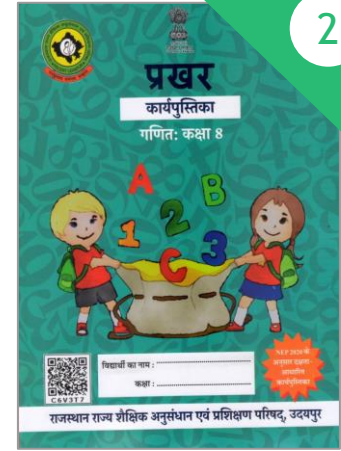

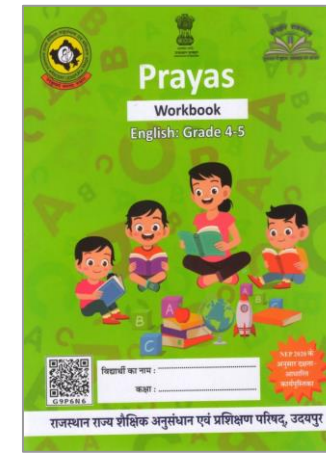

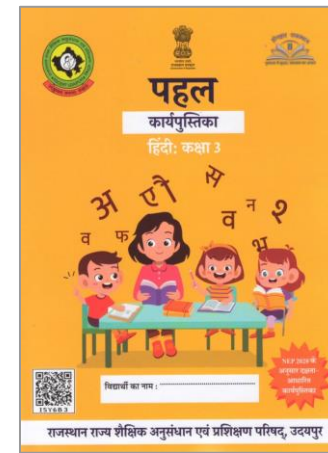

Highlight | RKSMBK App
## Driving teacher action in the classroom via an app-based job aid- used by 1.45 lac teachers daily
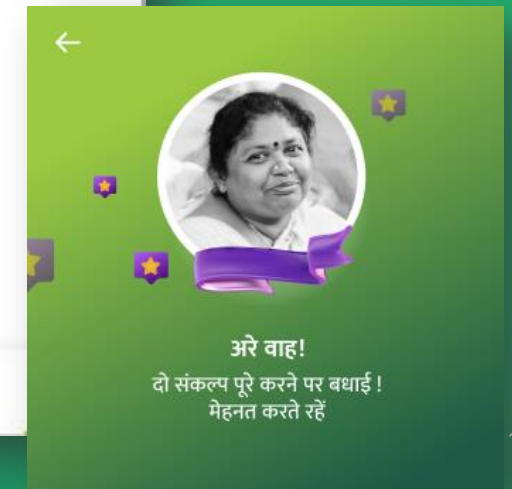

Digital lesson plans on competencies with videos on engaging ways to teach

Gamification for engagement: coins & badges to teachers on completing tasks

Rajasthan's approach: focus on quality learning for each segment

1 · ECCE & Gr 1-2
Build a solid foundation

2 · Gr 3-8
Bridge learning gaps-setup for success

3 · Gr 9-12
Strive for excellence

4 Holistic development of the child

5 Motivate: inspire the field to drive behaviors

6 Govern: hold the field accountable

Grade 9 to 12| Striving for excellence

Dial Future: Simplifying decision making for Grade 10 students

- Path Pradarshak Teacher in School

- Phone-based counseling at Zone and State level Help Desk for Grade 10 students to determine their choice of
stream and career guidance

Grade 9 to 12| Striving for excellence

Mission START: High quality digital learning via Smart Boards

Key challenges:

- Teachers struggle to teach difficult concepts
- Teacher vacancies

Opportunity: underutilized digital infra & high quality digital content

Solution approach:

- Assessment of computer hardware (ICT Lab/ Smart TV/ IF PD/ Projector/ IB/ SB etc.) in schools
- Providing schools hards drive with e-content in it
- Mapping hard drive e-content with computer hardware available in schools
- Preparation of weekly time table for e-class in each school so as to ensure optimum utilization of hardware

Mission START: Approach
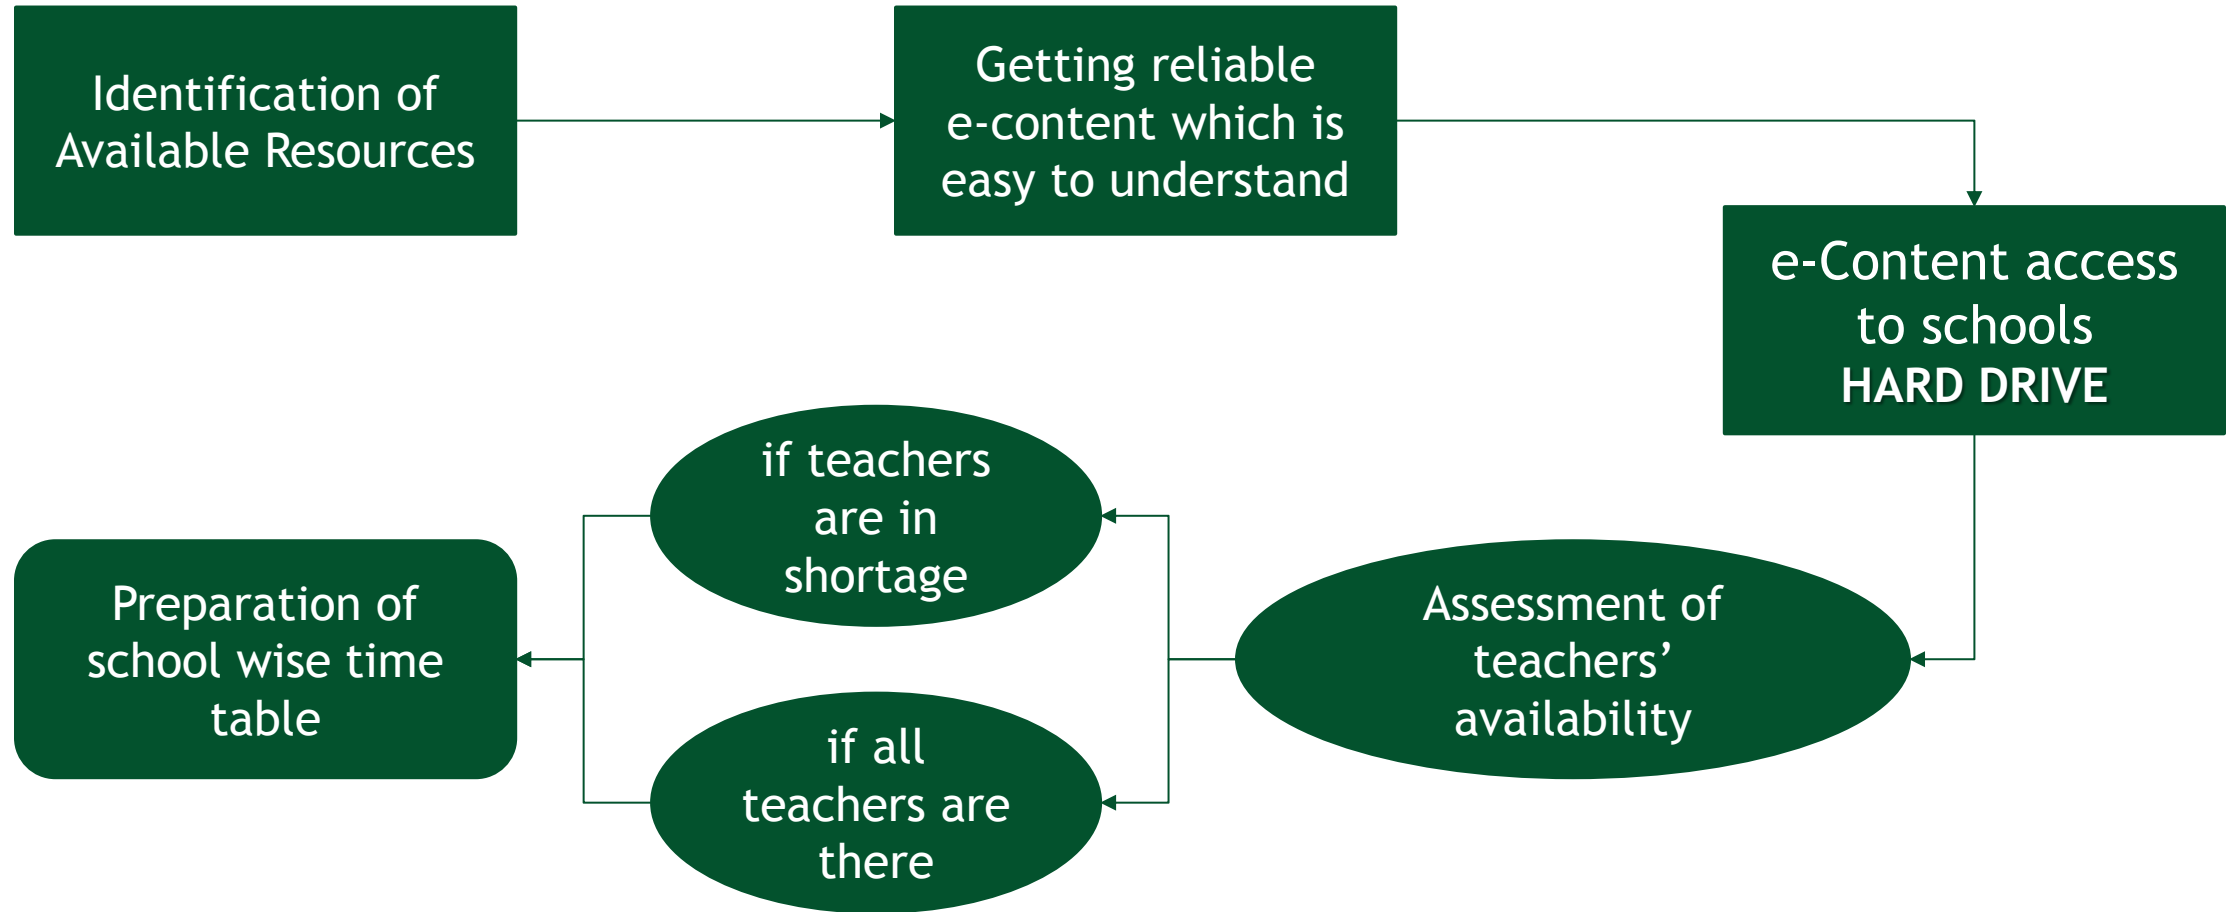

Mission START: Reach

Schools having ICT entry	Schools where some computer hardware is available	Schools where no computer hardware is available
18,510	**11,980**	**6,530**

Target population

Expected results

~1 crore e-learning periods in the Academic Year 2023-24

Rajasthan's approach: focus on quality learning for each segment

No Bag Day| Activities conceptualized and updated from the perspective of concept based learning outcomes

Concepts

Know Your State

Language Skill Development and Value Education

Rajasthan will play, Rajasthan will grow

I am also Scientist

Bal Sabha - With My Loved Ones

1 From building an understanding of heritage to developing a scientific approach.

2 From Language Skills to Health Education - Nirogi Rajasthan.

3 Interactive activities with different classified groups.

4 Ensuring everyone's participation through science fair, exposure tour, traditional games, folk art and folk culture etc.

5 Bal Sabha – Building harmony and emotional connection with the community.

22

No Bag Day | Illustrative examples of activities

Mass reading of the Preamble and Fundamental Duties of the Constitution

–To develop an understanding of the Indian Constitution and Fundamental Duties

–Every Saturday, mass reading in prayer meeting

–Group reading across Rajasthan on 15th August, 2023

Safe School, Safe Rajasthan

– Awareness against unsafe touch/abuse/about personal safety rules , August 19, 2023

– **October 28, 2023** (1st repetition)

– **January 13, 2024** (2nd repetition)

Life is Precious (Against Road rage)

– Positive initiative for road **safety August 12, 2023: (Presentation of awareness** material, slide shows, short movies, display of flexi sheets etc.)

– **November 04, 2023** (Role Play: All Rajasthan)

– **27 January,** 2024: Role play: (Slide show, short movies, display of flexi sheet and other activities)

Not to Tobacco

– To develop understanding about the harm of Bidi, Cigarette, Gutkha, tooth paste containing tobacco

– **02 September, 2023**: (Special: letter writing activity by students to parents)

– **02 December, 2023:**

Be Smart Initiative (Various activities for making the students smarter)

– August 26, 2023 - Let's remove stage fright

– September 09, 2023 - Communication skills- Precautions

– October 14, 2023 - Compassion and kindness
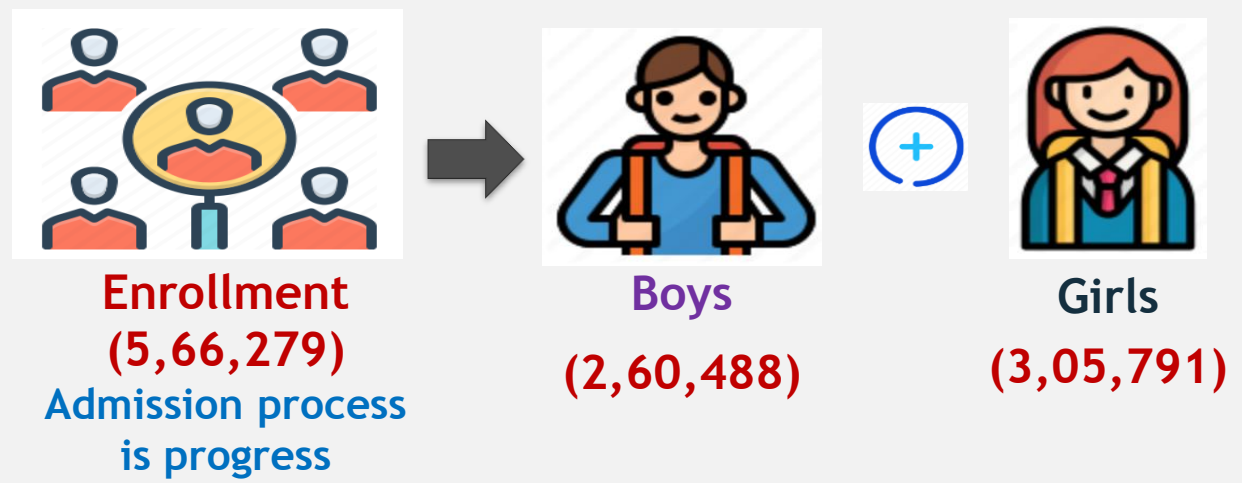

– November 25, 2023 - Leadership & team building

Baste ka Bhojh Kam
Reducing the Bag burden Campaign

Background

Keeping in view the weight of bag was increasing, These innovation is Initiated by State School Education Department, Rajasthan
The concept drives its idea from the Yashpal Committee guidelines, 1993

Solution

Rather than taking 3-4 books of the individual subject, the student will have to take **just one book** to school which will contain all the subject **divided trimester wise.**

Rajasthan Government launched a unique program called 'Baste ka Bojh Kam', under the leadership of the Education Minister on September 4, 2019.

The aim of the project was two-fold:

1. Reduce the weight of the bag which students carry to school everyday
2. Contribute towards improving the academic and health outcomes of the students

Girls Education

KGBV

- 316 KGBV's catering to over 40000 girls in class 6 to 12
- KGBV's (Type 1 and 3) have been provided Musical instruments and Gym equipments
- 79 KGBVs have been awarded Eat Right Certificate by FSSAI
- Automatic Bread Maker Machine and Electric water geyser system have been provided
- Meena-Raju-Gargi manch are established at school level for classes 06-12. Life skill sessions are conducted on Gender Sensitization
- Kishori Mela organized at cluster level, Block level, District level and State level to encourage participation in learning oriented projects

Rani Laxmi Bai Atma Raksha Prashikshan

- 10 days State level Residential Training at Rajasthan Police Academy, Jaipur for 358 women PET from each block
- 7 day non-residential training is to be provided to female PET/teacher from each school at the block level
- Self-defence activities to be conducted in 19451 primary and 15539 secondary level gov. schools

Gender Equity

Cyber Safety
- Posters and flyers for teachers and handbook for students created to ensure awareness on cyber safety
- 155 master trainers across the state trained to basics of cyber safety

School Safety
- IEC on topics like legal protection, safe touch prepared and displayed in schools
- Master trainers identified to impart guidelines on school safety

Gender Audit
- Tool for gender audit prepared and integrated with Shala Darpan (state MIS)
- Activity implemented in high gender gap districts (Jhalawar, Alwar, Bharatpur, Jalore, Barmer, Jodhpur and aspirational districts (Sirohi, Hanumangarh, Karauli, Dholpur, Baran) to reduce the gender gap.

Inclusive Education

- **Regular Activities of CWSN-Books, Escort/transport, readers' allowance, stipend for girls, sports & exposure visits, self defense training, trainings & orientation**

- **Video and audio study material have been provided for children with special needs under Mission SAMARTH programme**

- **DAISY Player for totally blind girls**

- **Resource Room at block levels**

- **State established two State Level Resource centre for CWSN student with all expertise facility.**

Rajasthan's approach: focus on quality learning for each segment

1 ECCE & Gr 1-2

2 Gr 3-8

3 Gr 9-12

Build a solid foundation

Bridge learning gaps- setup for success

Strive for excellence

4 Holistic development of the child

5 Motivate: inspire the field to drive behaviors

6 Govern: hold the field accountable

Approach to Motivation:
Making leadership accessible (1 of 2)

Monthly webinar series with Secretary: Direct-to-teacher connect, teacher interviews, launch of priority initiatives

Approach to Motivation: Give voice to the field (2 of 2)

Campaign to be launched to recognize star teachers via an "Indian Idol" type teaching-video competition

Rajasthan's approach: focus on quality learning for each segment

1 ECCE & Gr 1-2

2 Gr 3-8

3 Gr 9-12

Build a solid foundation

Bridge learning gaps- setup for success

Strive for excellence

4 Holistic development of the child

5 Motivate: inspire the field to drive behaviors

6 Govern: hold the field accountable

Governance| Empowering the system & then holding people accountable

Process setup

Tech setup

Org setup

Shala Sambalan: tech-enabled visits with tickets, data triangulation

Convert written guidelines into QR-code enabled videos: reducing information asymmetry

Shala Darpan: state MIS as a single source of truth

PEEO cadre: reduce governance span to 1:5
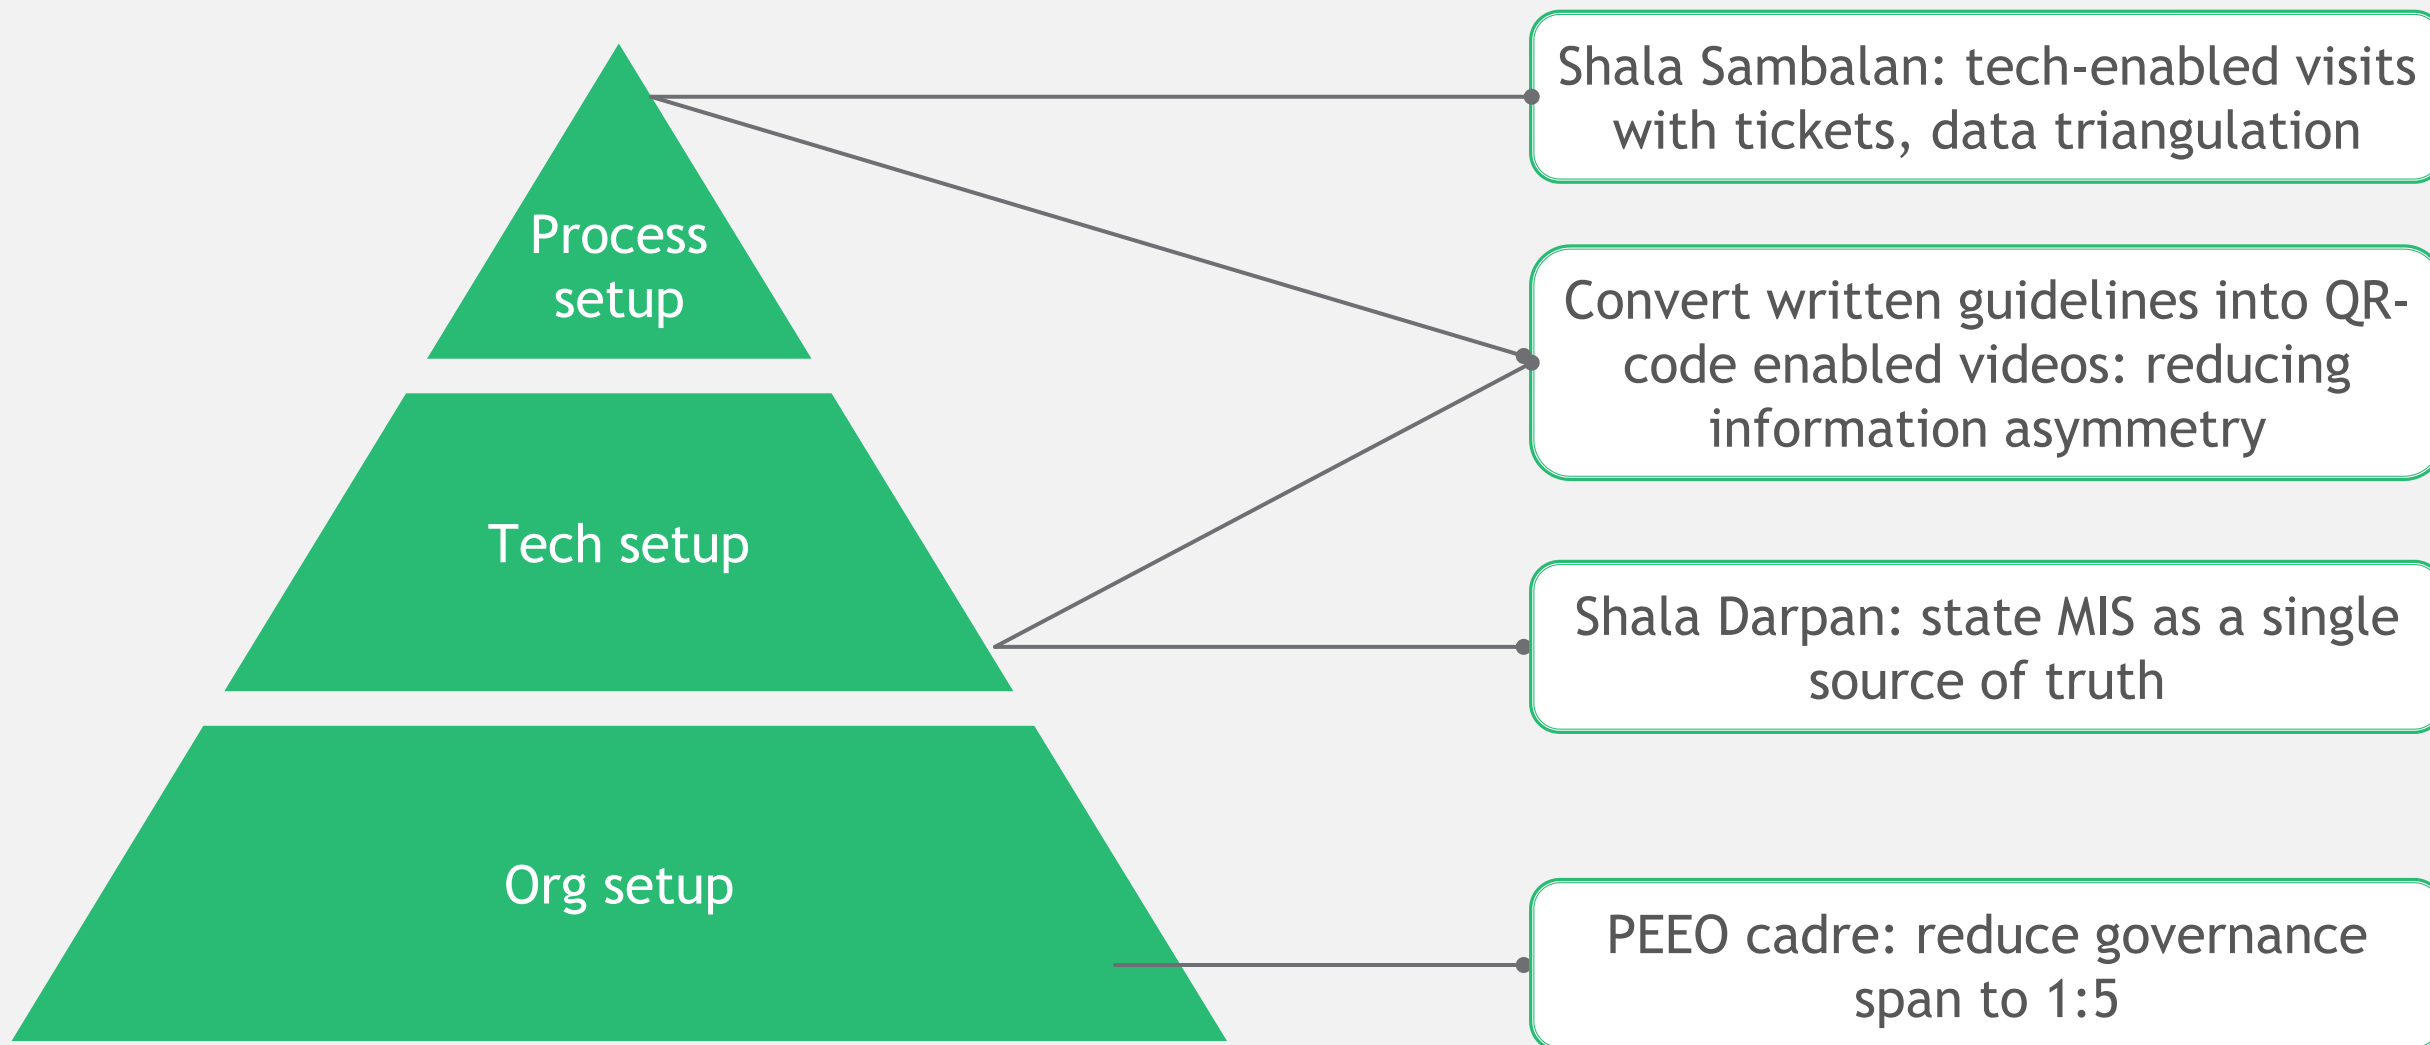

Org setup | PEEO as the officer responsible for 4-5 schools in a Panchayat

GRAM PANCHAYAT
3-4 revenue villages
5-6 schools

Panchayat Elementary Education Officer

1
2
3
4
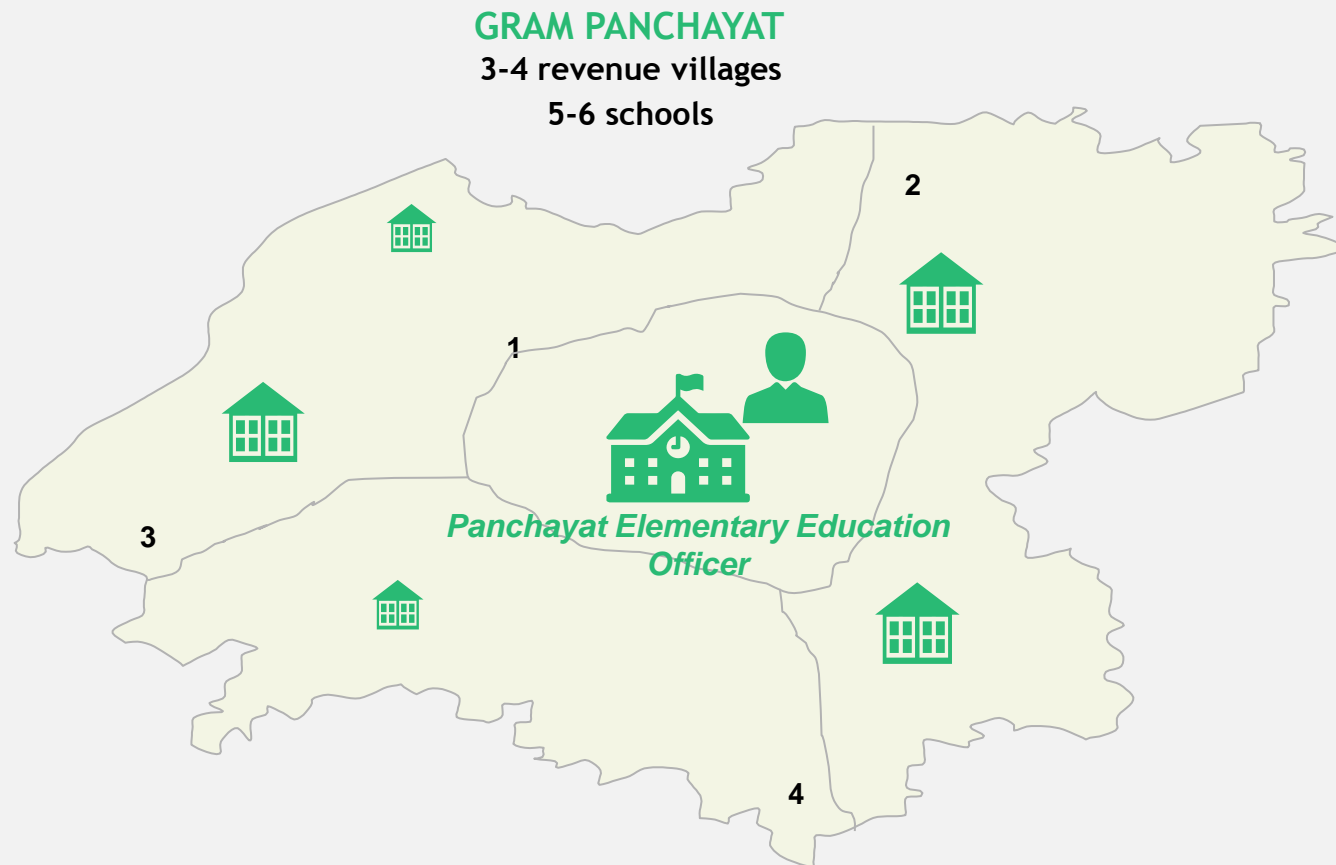

- Enhanced local leadership- proximate & relevant

- Efficient resource utilization e.g., staff/resource sharing

- PEEO coordinates with Block office- more personalized governance

🏫 PS/UPS   🏫 Sec/Senior Sec school

- Janadhar Authentication through Shala Darpan: Approximately 90 lac students have completed

- Around 70% of students' records have been successfully Aadhar authenticated through API integration.

Shala Darpan: single source of truth
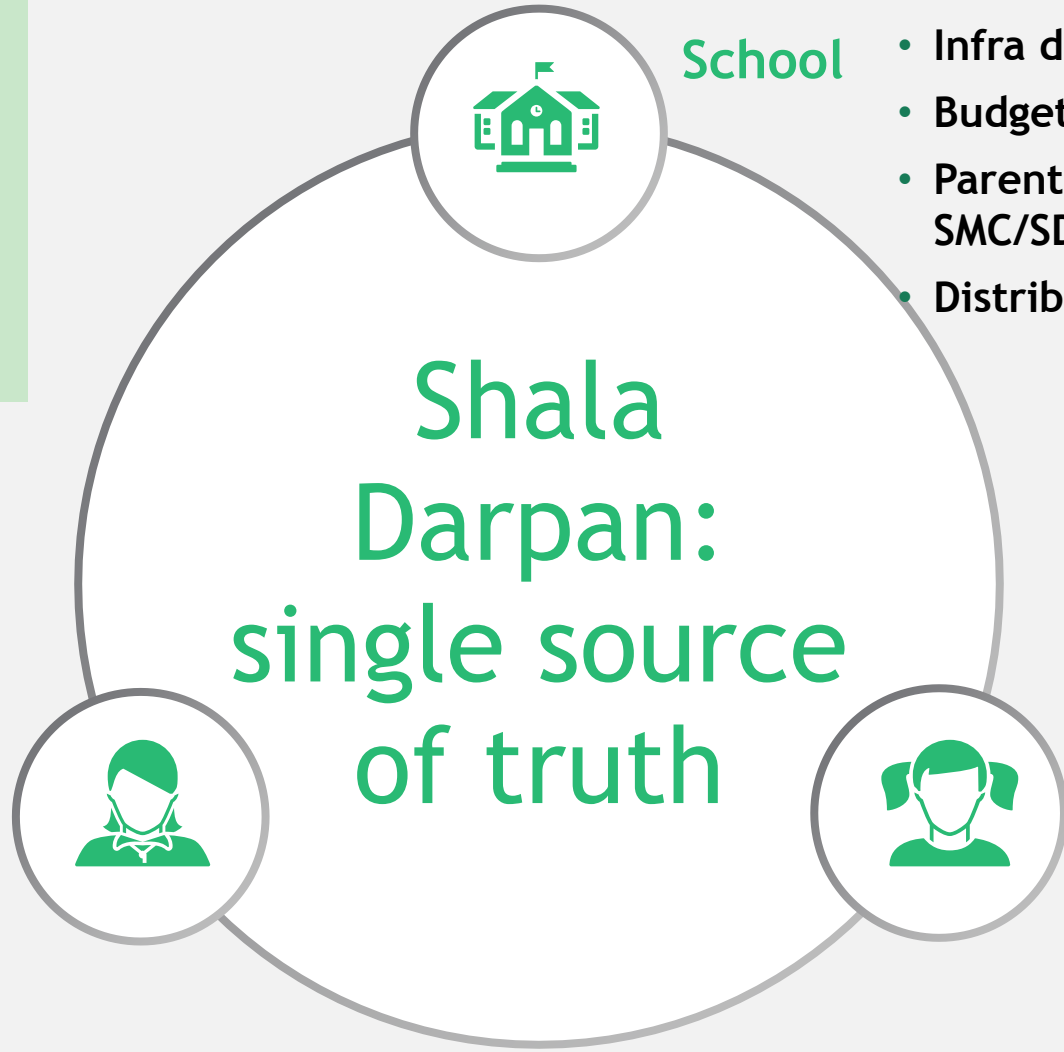

School
- **Infra details**
- **Budget demand/fund management**
- **Parent engagement incl. SMC/SDMC**
- **Distribution of books, TLM etc.**

Student
- **Admissions, Promotions, Transfers**
- **Attendance**
- **Academic results- Boards & School-level assessments**
- **Beneficiary schemes & scholarships incl. DBT**

Staff
- **Profiles incl. pictures**
- **Leave application**
- **Attendance**
- **Relieving (transfer, retirement)**
- **ACR/ACP**

4

Key features of Shala Darpan

Latest & relevant data- all key processes via Shala Darpan

Real-time reports

Direct-to-school communication channel

Convergence with Pvt. Schools through PS Portal

Gyan Sankalp Portal: Categories

Adopt a School
- Adopt a school for 3 years.
- Expenditure for minimum infrastructural facilities in the first year along with recurring expenditures for 3 yrs.

Create Your Own Project
- Contribution by Bhamashah and companies by creating projects for government school's development as per their own preferences

Support a Project
- Contribution for the whole or part unit/units of the projects shown on the portal by the department

Contribute to Mukhyamantri Vidyadaan Kosh
- Fund received in the Mukhyamantri Vidyadaan Kosh (Corpus Find) are used for the development of schools as per government priorities

Donate to a School
- The fund received can be used by the SDMC/SMC of the concerned school for development

Project Implementation Manners

- Self Implementation
- Donor's appointed agency
- Govt. (Dept.) Implemented

Gyan Sankalp Portal: Progress (Till 30 June, 2023)

S.No.	Category	Amount in Cr.
1	Mukhyamantri Vidyadaan Kosh including Interest	22.48
2	Support A Project	0.75
3	Donate To A School	41.51
	Sub Total	**64.74**

Approved Projects submitted by Donors/Bhamashahs/Companies

S.No.	Category	Amount in Cr.
4	Create Your Own Project	260.82 (560 Projects)
5	Adopt A School	8.21 (27 schools for 3yrs)
	Sub Total	**269.03**
	Total (1-5)	**333.77**

Embeded QR Codes in guideline- reducing information asymmetry

- Detailed guidelines have been prepared for all activities carried out under Samagra Shiksha

- Guidelines have been mapped based on their purposes, like all clubs in one head/group.

- Videos of such groups have been prepared to explain various clauses given in the guideline

- A QR code has been generated and shared with the stakeholders for easy access to these guidelines.

- Now you may read the guidelines or alternatively, you can watch the video. Now guidelines can be accessed by anybody incl SDMC members.
