Dear Sir,

RTI APPEAL – NON RECEIPT OF REPLY FROM NTA

I have submitted RTI request No.DOHED/R/2019/50381 on 17/2/2019 through online mode.

Eventhough the RTI was required to be preferred on National Testing Agency (NTA), the Agency was not listed in the website under Department of Higher Education or under Ministry of Human Resources Development. Hence I was unable to prefer my RTI request directly to NTA. Therefore I was forced to prefer RTI request on Department of Higher Education under Ministry of Human Resources Development. NTA should have been listed online to enable information seekers to prefer RTI request directly. Moreover no RTI related CPIO/PIO information is available in NTA web site.

I have been informed vide communication F.No.33.1/2019-TS-1 (February) dated 20/2/2019 that RTI request preferred by me has been transferred to NTA for furnishing the requisite information.

However I am yet to receive requisite information from NTA till date.

Hence I request to consider my appeal against the reply to RTI query preferred by me and arrange to provide the requisite information sought by me.

I also request that the status of NTA may kindly be updated in the RTI online site so that information seekers will be able to apply directly and avoid delay in getting the requisite information.

Yours faithfully

CHIDAMBARARM R
