Subject: Application under Right to Information Act, 2005-reg.

Sir,

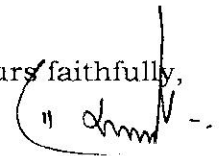

I refer to your RTI application Registration No. DOHED/R/2019/50871/5 dated 18.04.2019 received in this Division on 09.05.2019.

2. I am the CPIO in respect of 23 IITs dealt with in Technical Section-I. I am the CPIO in respect of 23 IITs dealt with in Technical Section-I. IITs strive to maintain a faculty-student ratio of 1:10. Arising of vacancies and filling them up with suitable, qualified candidates is a continuous process. IITs have been taking measures to attract quality faculty, which include year-round open advertisements, invitation through search-cum-selection procedures to alumni/scientists/faculty, advertisements in international journals, and appointment of NRIs and OCIs to faculty positions on the same terms as applicable to regular faculty. The Government has also launched the Global Initiative for Academic Networks (GIAN) to enable foreign faculty to teach some courses in the higher educational institutions. Steps such as mobility of faculty from one Central Educational Institute to another in order to protect their pensionary benefits, pay parity to faculty have also been taken to attract best faculty in these Institutions. Since Ph.D. is an essential qualification for appointment as faculty in IITs, Government of India has recently launched Prime Minister's Research Fellows (PMRF) Scheme to attract bright students into Ph.D programmes, which will improve the quality of research at the one hand and address shortage of quality faculty on the other. A statement of faculty strength in IITs is enclosed.

3. Appeal if, any may be preferred within 30 days of receipt of this reply to Shri Prashant Agarwal, Director (IITs), Department of Higher Education, Shastri Bhawan, New Delhi-110001, who is the First Appellate Authority.

Encl: As above

Yours faithfully,

(Kundan Nath)
Under Secretary & CPIO
