

# Visitor Nominee

HoD Mathematics

Thu 11/29/2018 8:43 PM

To: maths <maths@iitg.ac.in>;

Dear colleagues,

I have been informed by DOFA's office today that Prof.(Dr.) Rajendra Pundik Deore, Head, Department of Mathematics, University of Mumbai, Mumbai has been appointed as the Visitor's Nominee for our department for a period of three years. Apparently, the appointment happened sometime earlier (perhaps in August itself) and we received no information. This is for your information. Thank you.

With regards,  
-selvaraju

I find the selection very surprising in the sense that this name did not figure in the list of five names recommended by DFAC last year .

Thanks and regards,
