1	National Teachers' Award	<p>The President of India, conferred National Awards on teachers from across the country at a function held in New Delhi on September 5, 2024 on Teachers' Day. The President conferred the National Teachers' Award 2024 to 82 selected Awardees. Every year, India celebrates 5th September, the birth anniversary of Dr. Sarvepalli Radhakrishnan, as National Teachers' Day. The purpose of the National Teachers' Award is to celebrate the unique contribution of teachers in the country and to honour those teachers who, through their commitment and dedication, have not only improved the quality of education but also enriched the lives of their students.</p> <p>The Department of School Education & Literacy, Ministry of Education, has selected 50 teachers for this year's National Teachers' Awards. They have been selected through a rigorous transparent and online three-stage i.e., District, State and National level selection process by the Department of School Education and Literacy. The 50 selected teachers are from 28 States, 3 UTs and 6 Organizations. Out of 50 selected teachers, 34 are males, 16 are female, 2 are differently abled, and 1 working with CWSN. In addition, 16 teachers from the Department of Higher Education and 16 teachers from the Ministry of Skill Development and Entrepreneurship were also</p>

2	"Spectrum of Literacy"	<p>Secretary of Department of School Education and Literacy (DoSEL), chaired an international conference titled "Spectrum of Literacy" on 7th September 2024 at NCERT, New Delhi. The Ministry of Education, Government of India, organized this virtual conference as a prelude to International Literacy Day 2024. The conference brought together global and national experts, educators, policymakers, and literacy advocates to explore the diverse and evolving dimensions of literacy in today's world.</p> <p>The conference, underscoring the theme "Spectrum of Literacy", reflected the broad and diverse challenges and opportunities in education globally. It concluded with a call to action to strengthen partnerships and collaborations to build a literate (Jan Jan Saakshar) and inclusive world.</p>
3	International Literacy Day 2024	<p>The Ministry of Education's Department of School Education & Literacy, in collaboration with UNESCO, celebrated International Literacy Day 2024 on 8th September 2024. The theme of this year's event, "Promoting Literacy through Multilingualism," highlighted the critical role of linguistic diversity in improving literacy levels across India's diverse communities. Hon. Vice President of India was Chief Guest on the occasion.</p> <p>A special film on ULLAS - Nav Bharat Saaksharta Karyakram, was launched during the programme, which captured the journey, milestones, and success stories of the program. The film showcased the transformative impact of the initiative in promoting adult literacy across diverse linguistic regions and empowering communities through foundational literacy and digital skills.</p> <p>The ULLAS DTH Channel, a significant step towards reaching learners across the nation through literacy programs in multiple languages, was also launched. This initiative will serve as a crucial tool in bridging the literacy gap, particularly for adult learners in remote and underserved regions.</p>

4	Joint advisory on Tobacco	<p>The Secretaries of the Union Ministry of Education and the Ministry of Health & Family Welfare have jointly issued an advisory to all States and Union Territories. The advisory, addressed to Chief Secretaries, calls for the rigorous implementation of the Tobacco-Free Educational Institution (ToFEI) manual in educational institutions, in accordance with the provisions of the Cigarettes and Other Tobacco Products Act (COTPA), 2003.</p> <p>This joint advisory underscores the alarming effects of tobacco consumption, particularly on children and adolescents. It draws attention to the findings of the Global Youth Tobacco Survey (GYTS) 2019, which revealed that 8.5% of school students aged 13 to 15 in India consume tobacco in various forms. Of particular concern is the fact that over 5,500 children in India begin using tobacco every day. Moreover, 55% of lifelong tobacco users initiate the habit before the age of 20, with many adolescents turning to other addictive substances as a result.</p> <p>The advisory emphasizes the need for collaborative efforts of all the stakeholders to safeguard young people from the dangers of tobacco addiction. The goal is to protect future generations by raising awareness of the harmful effects of tobacco use and promoting tobacco control measures within educational institutions.</p>
5	Pradhan Mantri Janjatiya Unnat Gram Abhiyan	<p>The Pradhan Mantri Janjatiya Unnat Gram Abhiyan, approved by the Union Cabinet, focuses on enhancing the quality of life in tribal villages by converging efforts across 30 States and Union Territories. The initiative will positively impact over 5 crore tribal people in 549 districts and 2,911 blocks, ensuring they receive the benefits of targeted schemes across key sectors such as education, health, rural development and infrastructure.</p> <p>The Department of School Education and Literacy, Ministry of Education, in convergence with the Ministry of Tribal Affairs, conducted a Manthan Shivar at Bharat Mandapam, New Delhi on 27th September 2024. The Manthan Shivar marked a significant step in finalising a comprehensive and actionable plan to enhance educational opportunities for tribal communities. Hon. Minister of Tribal Affairs, and Hon. Minister of State (Independent Charge), Ministry of Skill Development & Entrepreneurship and Minister of State for Education along with senior officers of Ministries/Departments graced the occasion.</p>
