

Vision, Mission and Key objectives

The broader goal of improving school effectiveness measured in terms of equal opportunities for schooling and equitable learning outcomes. The vision of the Department is to ensure inclusive and equitable education from pre-school to senior secondary stage in accordance with the Sustainable Development Goal (SDG) for Education. The main outcomes are envisaged as Universal Access, Equity and Quality including Vocational Education, Inclusive Education, increased use of Technology and strengthening of Teacher Education Institutions (TEIs).

Education plays a significant and remedial role in balancing the socio-economic fabric of the Country. Since citizens of India are its most valuable resource, our billion-strong nation needs the nurture and care in the form of basic education to achieve a better quality of life. This warrants an all-round development of our citizens, which can be achieved by building strong foundations in education. The Department of School Education & Literacy is responsible for development of school education and literacy in the country. The Department of School Education & Literacy has its eyes set on the “universalisation of education” and making better citizens out of our young brigade. For this, various new schemes and initiatives are taken up regularly and recently, those schemes and initiatives have also started paying dividends in the form of growing enrolment in schools.

The main objectives of the Department would be:

- Formulating the National Policy on Education and to ensure that it is implemented in letter and spirit
- Planned development, including expanding access and improving quality of the educational institutions throughout the country, including in the regions where people do not have easy access to education.
- Paying special attention to disadvantaged groups like the poor, females and the minorities
- Provide financial help in the form of KGBVs, scholarships etc to deserving students from deprived sections of the society.
